## RI Board approves shift to a resource and support model for programs

The World Community Service and Rotary Volunteers programs will be phased out by 30 June to reinforce the priorities and goals of the RI Strategic Plan and to shift from a program-based model to a resource and support model.

The goal of this new model, approved by the RI Board at its November meeting, is to expand the resources available to clubs for connecting and partnering with each other.

"A significant component of Rotary's new strategic plan is the transformation of Rotary's involvement from monitoring, regulating, and administering specific projects to functioning in a highly supportive mode of providing clubs and districts with essential resources in their international service," says RI Director Kenneth W. Grabeau.

The World Community Service program has helped Rotarians find partners for international service projects. RI will continue to fully support Rotarians in their efforts to serve communities in other countries.

While recognizing the importance of Rotary Volunteers, the Board supported an approach to volunteerism that would provide guidance and resources to a greater number of Rotarians, clubs, and districts. Rotarians are encouraged to include volunteers on service projects, both locally and abroad.

"The primary benefits of this evolution are a greater focus on club and district service, enhanced resources in the development of sustainable and more significant projects, and the development of cooperative relationships between and among the participating parties," Grabeau says.

In the coming months, the Rotary Friendship Exchange program will be transformed with a new, enhanced set of resources to support Rotary connections for international service projects, fellowship visits, and volunteer opportunities. These developments will be shared on the RI website and with Rotarians appointed to serve in district leadership positions for 2011-12.

"It is likely that the form and function of Friendship Exchanges will evolve as we implement the strategic plan to better provide necessary resources and essential support to clubs and districts," Grabeau says.

Rotary International staff will also be improving [ProjectLINK](#), RI's projects database.

The RI Board has approved a shift in the structure of RI programs, effective 30 June, to better support clubs and districts and provide essential resources for international service. Rotary Images/Alyce Henson

## Quote of the month: Thoughtfulness of others

Each month, we highlight Rotary's history and share an inspirational quote from past Rotary leaders. December's quote:

"Service in the Rotarian sense is a mental process. It is an attitude of mind which relates persons and things with action. Thoughtfulness of others is in reality the basis of Rotary service."

— Frank L. Mulholland, 1914-15 Rotary president, in *The Rotarian*, September 1927

## Today's Thoughts in Honor of ....

### Peculiar People Day – January 10

“For every beauty there is an eye somewhere to see it. For every truth there is an ear somewhere to hear it. For every love there is a heart somewhere to receive it.”

- Ivan Panin (1855 – 1942)

### National Pharmacist Day – January 12

Formerly, when religion was strong and science weak, men mistook magic for medicine; now, when science is strong and religion weak, men mistake medicine for magic.

- Lois McMaster Bujold (1920 – )

While sports fishing off the Florida coast, a tourist capsized his boat. He could swim, but his fear of alligators kept him clinging to the overturned craft. Spotting an old beachcomber standing on the shore, the tourist shouted, "Are there any gators around here?"

"Naw," the man hollered back, "they ain't been around for years!"

Feeling safe, the tourist started swimming leisurely toward the shore. When he was almost there, he asked the guy, "How'd you get rid of the gators?"

"We didn't do nothin'," the beachcomber said. "The sharks got 'em."
