07:30 Wednesday Morning
Eldorado Country Club
McKinney, TX

Today's Program

Eric Holt

Financial Planning Services - Edward Jones
Vocational Talk

The Four Way Test

of the things we think say or do....

1. Is It the Truth
2. Is It Fair to All Concerned
3. Will it Build Goodwill and better Friendships
4. Will it be Beneficial to all Concerned

Rotary Club of McKinney Sunrise, District 5810
Club Number 28762, Chartered May 22, 1992
P.O. Box 2244, McKinney, Texas, 75070

Eric Holt – Financial Advisor with Edward Jones

Eric has been married for 17 years (3 of the best years of his life) and he and his wife have 2 children, their daughter Abby who is about to turn 8 and their son Eric Jr. who is about to turn 6. Eric lived in Branson, Missouri for 20 years before moving to McKinney in 2005. Edward Jones had been trying to recruit Eric since 2000 and offered to move him anywhere in the country and we are fortunate that he chose McKinney.

He says he chose McKinney because his wife's family lives here, because of the excellent school system for his children, and that McKinney is just a great community to raise a family in.

For 12 years prior to joining Edward Jones, Eric was a full-time professional fisherman. He fished bass tournaments on the FLW-Outdoors pro circuit all over the eastern half of the US and Canada under the sponsorship of Team Timex and Stanley. He has a long list of top finishes on the circuit throughout his career. One more little known fact about Eric, on November 18, 2008, he celebrated 20 years of being drug and alcohol free.

Economic Stimulus

Lyle Froese, the sergeant-at-arms, has declared a January Economic Stimulus event to be held this Wednesday morning. Each Rotarian who has giveaway items from a business, job site, or profession is asked to bring 30-32 items to distribute around the tables for others to pick up. Do you have pens, calendars, refrigerator magnets, shoe horns, key rings, pocket protectors, nail files, business cards or other invaluable promotional items from your place of work? Here is your opportunity to get the word out and network with other Rotarians. Paul Harris was a young lawyer and new to Chicago over a hundred years. In addition to being lonely, Paul needed to get connected for business as well as social purposes. It wasn't long before the concept of "together we can benefit all and serve others" spread worldwide. Make this January a month for connecting and stimulating our economy.

Last Weeks Meeting

Last week Stanley Tatum spoke to our club about the new Baylor Medical Center that is beginning construction in McKinney on the northwest corner of Lake Forest and highway 380. We saw renderings of the first 3 phases of the project and learned about Baylor's commitment to quality health care. Baylor Medical Center will be a great addition to our city and we thank Stan for visiting with our club about it.

Today's Thoughts in Honor of

Make Your Dream Come True Day – January 13

"Risk more than others think is safe. Care more than others think is wise. Dream more than others think is practical. Expect more than others think is possible."

- **Claude Thomas Bissell (1916 – 2000)**

National Nothing Day – January 16

"Happiness includes chiefly the idea of satisfaction after full honest effort. No one can possibly be satisfied and no one can be happy who feels that in some paramount affairs he failed to take up the challenge of life."

- **Enoch Arnold Bennett (1867 – 1931)**

It was the first week of school, and little Katie was sitting in her first grade classroom. The teacher was explaining about herself and said that she was a Florida Gator. She asked who else in the class was a Gator.

The first graders didn't really know what she was talking about but, wanting to be just like their teacher, they all raised their hands except little Katie. The teacher asked Katie why she wasn't raising her hand and Katie responded, "Well, I'm proud to be an Oklahoma Sooner."

The teacher was slightly annoyed, so she asked Katie, "Why do you think you're a Sooner?"

Katie answered, "Well, my mommy's a Sooner and my daddy's a Sooner, so I'm a Sooner too."

The teacher, trying to catch her, asked, "If your mommy was a moron and your daddy was a moron, would that make you a moron?"

Without missing a beat, Katie responded, "No, then I would be a Gator."

Future Vision pilot application begins in January

District application for participation in the Future Vision Plan pilot will begin on 27 January, immediately following the 2009 [International Assembly](#), where district governors-elect will receive information on the plan and the pilot.

Between 1 July 2010 and 30 June 2013, pilot districts will test the plan's grant structure to identify strengths, weaknesses, opportunities, and challenges. Their feedback will help The Rotary Foundation to refine the plan to its final form by July 2013, when all districts will begin participation. Governors and Foundation chairs of the pilot districts will receive specialized training during the 2009-10 Rotary year to prepare for the transition to the pilot.

When working with each other, pilot districts may use [Rotary Foundation Global Grants](#) to sponsor vocational training teams and scholars who are working or studying in one or more of the Future Vision Plan's six [areas of focus](#) and to carry out humanitarian projects in the areas of focus. Nonpilot districts may work together using the current Foundation programs and grants, some of which will be phased out before the end of the pilot.

Pilot and nonpilot districts may continue to work together during the three-year pilot, provided they follow specific guidelines established by the Foundation.

Vocational training teams. Pilot districts may use a [Rotary Foundation District Grant](#) to send a vocational training team to nonpilot districts. When using a district grant, the pilot district may determine the number and professional composition of the team. Nonpilot districts may send a GSE team to pilot districts under the current program.

Scholarships. Pilot districts may sponsor scholars to study in nonpilot districts using district grants. Nonpilot districts may send [Ambassadorial Scholars](#) to districts worldwide.

Humanitarian projects. Pilot districts may use district grants to support humanitarian projects with nonpilot districts, and nonpilot districts may use [District Simplified Grants](#) for projects with pilot districts.

Interested districts must apply for the Future Vision pilot online through Member Access at www.rotary.org. The pilot application period will end 15 May. Pilot districts will be notified and announced on the RI Web site in June. To learn more about the Future Vision Plan, go to www.rotary.org/futurevision. If you have questions about the plan and the pilot, see the [Future Vision FAQ](#) or write to newgrantspilot@rotary.org.

District application for participation in the Future Vision Plan pilot will begin on 27 January. Pictured, a Rotarian literacy initiative supported by a Rotary Foundation 3-H grant has helped thousands of Brazilian children learn to read and write. *Rotary Images/Alyce Henson*
