Rotary announces \$35 million to support a polio-free world

Rotary today announced \$35 million in grants to support the global effort to end polio, bringing the humanitarian service organization's contribution to \$140 million since January 2016.

Nearly half of the funds Rotary announced today (\$16.15 million) will support the emergency response campaigns in Nigeria and the Lake Chad Basin (Chad, northern Cameroon, southern Niger and Central African Republic). Four cases of polio were detected in Nigeria in 2016, which had previously not seen a case since July 2014.

With these cases, funding is needed to support rapid response plans in Nigeria and surrounding countries to stop the outbreak.

While significant strides have been made against the paralyzing disease, with just 35 cases reported in 2016, polio remains a threat in hard-to-reach and underserved areas, and conflict zones. To sustain this progress, and protect all children from polio, experts say \$1.5 billion is needed.

In addition to supporting the response in the Lake Chad Basin region, funding has been allocated to support polio eradication efforts in Afghanistan (\$7.15 million), Pakistan (\$4.2 million), Somalia (\$4.64 million), and South Sudan (\$2.19 million). A final grant in the amount of \$666,845 will support technical assistance in UNICEF's West and Central Africa Regional Office.

Rotary has contributed more than \$1.6 billion, including matching funds from the Bill and Melinda Gates Foundation, and countless volunteer hours since launching its polio immunization program, PolioPlus, in 1985. In 1988, Rotary became a spearheading partner in the Global Polio Eradication Initiative with the World Health Organization (WHO), UNICEF, U.S. Centers for Disease Control and Prevention, and was later joined by the Bill & Melinda Gates Foundation. Since the initiative launched, the incidence of polio has plummeted by more than 99.9 percent, from about 350,000 cases a year to 35 confirmed in 2016, and no cases in 2017.

Rotary announces new chief philanthropy officer

Rotary taps fundraising expert, Eric Schmelling, to manage philanthropy and fundraising for the humanitarian service organization's \$1 billion charitable arm – [The Rotary Foundation](#).

Eric Schmelling, General Manager and Chief Philanthropy Officer

As the Chief Philanthropy Officer, Schmelling will lead the area responsible for facilitating contributions to The Rotary Foundation. The foundation, celebrating its [centennial](#), has a one-year fundraising goal of \$300 million. It grants over \$200 million annually to eradicate polio and funds projects and scholarships in communities worldwide.

"With over 20 years at Rotary, Eric brings a deep understanding to this role," said John Hewko, general secretary of Rotary. "Under Eric's guidance in his previous roles, we have seen tremendous growth in overall contributions, including in our effort to end polio. We look forward to continued success under Eric's leadership."

Schmelling began his career at Rotary in 1995 and has held several positions, including director of planned and major gifts. "It is truly an honor to work for an organization dedicated to making the world a better place," said Schmelling. "I have invested much of my career here because I believe in Rotary's mission to end polio and provide those in need with access to clean water, education, peace, healthcare and economic opportunities. As CDO, I am excited to help lead the organization's efforts to make sure we have the financial resources to continue improving communities worldwide."

Schmelling is an alumnus of Beloit College in Wisconsin and received his M.A. from Central European University in Hungary. He is a member of the Rotary Club of Evanston Lighthouse.

I realized that my five-year-old grandson had been watching too many reality TV shows the day we attended a relative's wedding.

As the four bridesmaids walked down the aisle toward the front of the church, he turned to me and asked, "Is this where the groom decides which one he wants to marry?"
