Cricket Killingsworth – Reach Program

MCKINNEY
INDEPENDENT SCHOOL DISTRICT

One of the divisions of the Partners in Education organization is REACH. The program is designed to foster a basic sense of self-esteem, self-confidence and a motivation to learn and improve personal and social skills that will reinforce the

importance of an education. Reaching one child at a time is the primary goal of the program.

Mentors are greatly needed at several elementary campuses and at all five McKinney ISD middle schools. However, any campus can request a mentor and mentors are needed district-wide.

Words from Paul Harris in 1912

Lord Bacon made the blasé announcement, "There is little friendship in the world," and the words were given utterance at a time when the world seemed fairly saturated with the spirit of good fellowship. To him, there must have been a wide difference between being companionable and being friendly.

Good fellowship remains while laughter rings, but vanishes with the first intimation of tears.

True friendship is worth while because it costs. Everything that is worth while costs. Cost measures worth; the greater the cost the greater the worth. Liberty means more to the American people than to any other people in the world. Why? Because the American people paid the highest price for it.

He who pays the price of friendship by doing friendly service knows its value, and he would not barter one little spark of it for a whole constellation of the other. The most permanent friendships are born in service. May Rotary ever be a living protest against the words, "There is little friendship in the world."

Historic Moments: The first four Rotarians

On 23 February 1905, Paul P. Harris, Gustavus Loehr, Silvester Schiele, and Hiram E. Shorey gathered in Loehr's office for what would become known as the first Rotary club meeting.

Harris's desire for camaraderie among business associates brought together these four men and eventually led to an international organization of service and fellowship.

Read about each of the first four Rotarians below, and about Harry L. Ruggles, who is often called the "fifth Rotarian."

Rotary's founder, **Harris**, was born in Wisconsin, USA, on 19 April 1868. He was raised by his paternal grandparents in Vermont and attended the University of Vermont, Princeton, and the University of Iowa. He was Rotary president from 1910 to 1912 and a member of the Rotary Club of Chicago until his death on 27 January 1947. Learn more about the founder of Rotary in "The Life and Times of Paul Harris."

Loehr, a mining engineer, was born on 18 October 1864 in Carlinville, Illinois. He was a Rotarian for only a few years, never holding office at the club or international level. But that first Rotary meeting was held in his office, Room 711 of the Unity Building in downtown Chicago. He died in Chicago on 23 May 1918.

A Rotarian for only a few years, **Shorey** served as recording secretary during the club's first year. He was born in Maine in August 1862 and died in March 1944.

Schiele, a coal dealer, served as the Chicago club's first president in 1905 and Rotary International's third treasurer in 1945. Born in Terre Haute, Indiana, in 1870, Schiele attended Terre Haute Business College and served in the U.S. Army during the Spanish-American War. He was president of the Schiele Coal Company from 1902 until his retirement in 1939. He and Harris became lifelong friends and lived near each other on the South Side of Chicago. Schiele died on 17 December 1945 and is buried near Harris at Mount Hope Cemetery.

Originally from Michigan, **Ruggles** was a graduate of Northwestern University in Evanston, Illinois, and joined Rotary at its second meeting. He was treasurer of the Chicago club during its first year, president from 1908 to 1910, and a Rotary director from 1912 to 1913. He is known for having introduced singing to Rotary club meetings. His printing company, H.L. Ruggles & Co., printed the first issue of *The National Rotarian* and the first Rotary songbook. He died on 26 October 1959, an honorary member of seven clubs in addition to his home club, the Rotary Club of Chicago.

John K. "Jack" Best elected to RI Board of Directors

John K. "Jack" Best, a member of the Rotary Club of Penfield, New York, USA, has been elected RI Director to serve the remainder of the term of RI Treasurer [Betsy Demaray](#), who died 25 January.

Best was the alternate selected by the Zone 29 nominating committee. A Rotarian since 1972, he has served RI as regional Rotary Foundation coordinator, district governor and RI training leader. He has chaired presidents-elect and governors-elect training seminars, and has served in a variety of leadership roles in Zone Institutes.

He has been active in Rotary Youth Exchange since 1977, and serves as vice-chair of the Rotary Peace Centers Major Gifts Initiative Committee. He and his wife, Kathy, are Major Donors and Bequest Society members.

A certified financial planner, Best retired in 2011 and established a consulting firm, Retire in Time: Get Ready for the second half of life. He is a past president of the Estate Planning Council of Rochester, a past director of the Webster Chamber of Commerce, and a past vice president of the Heritage Christian Services Foundation.

Best said he served as district governor during the same year as Demaray, and praised her dedication to Rotary.

“We all admired her greatly for the leadership she displayed not only in Rotary, but in the way that she confronted the cancers that ultimately took her life,” he said.

Today's Thoughts in Honor of

Employee Appreciation Day – March 1

“In Japan, employees occasionally work themselves to death. It's called Karoshi. I don't want that to happen to anybody in my department. The trick is to take a break as soon as you see a bright light and hear dead relatives beckon.”

- Scott Adams (1957 –)

Hug a GI Day – March 4

“The soldier is the Army. No army is better than its soldiers. The Soldier is also a citizen. In fact, the highest obligation and privilege of citizenship is that of bearing arms for one's country.”

- George S. Patton Jr. (1885 – 1945)

An atheist was seated next to a little girl on an airplane and he turned to her and said, "Do you want to talk? Flights go quicker if you strike up a conversation with your fellow passenger." The little girl, who had just started to read her book, replied to the total stranger, "What would you want to talk about?" "Oh, I don't know," said the atheist. "How about why there is no God, or no Heaven or Hell, or no life after death?" as he smiled smugly. "Okay," she said. "Those could be interesting topics but let me ask you a question first. A horse, a cow, and a deer all eat the same stuff - grass. Yet a deer excretes little pellets, while a cow turns out a flat patty, but a horse produces clumps. Why do you suppose that is?" The atheist, visibly surprised by the little girl's intelligence, thinks about it and says, "Hmmm, I have no idea." To which the little girl replies, "Do you really feel qualified to discuss God, Heaven and Hell, or life after death, when you don't know crap?" And then she went back to reading her book.
