Rick G. Zampino – Advanced Tree & Shrub Care

A master of arboriculture (the art and science of tree care), Rick Zampino has served thousands of clients and cared for tens of thousands of trees and shrubs in Dallas/Fort Worth for more than 20 years.

His Fairview-based company, Advanced Tree & Shrub Care, specializes in treating trees and shrubs through state-of-the-art tree health care, pruning, removal techniques and structural improvement, and practicing a systematic approach that recovers trees from disease and decline.

A nationally-known noted expert in his field, Rick is one of only two arborists in Texas with both the Registered Consulting Arborist and Board Certified Master Arborist certifications, and is licensed to prescribe and perform treatment on trees and shrubs.

Rick is licensed as a Certified Applicator by the Structural Pest Control Board of Texas, and holds a Certified Horticulturalist designation from the prestigious Davey Institute of Horticultural Sciences. He is a member of the Tree Care Industry Association (formerly the National Arborist Association) and the International Society of Arboriculture.

Rick's long career in arboriculture began in 1982 at the Davey Tree Company in Richardson, a pioneer in the scientific approach to tree care at the time. After seven years at Davey Tree, Rick established Advanced Tree & Shrub Care, Inc., in 1990, which specializes in saving trees affected by disease, insects and other factors inherent to North Texas, and addressing those issues with field-leading technology.

In 1996, Rick was the arborist for the City of Allen. As part of his full-service approach to tree care, Rick instituted preventative programs that provide quality and cost efficiency throughout the year to both new and established landscapes.countries -- Afghanistan, Nigeria, and Pakistan.

District Conference – Rotary District 5810

This year's District 5810 Conference will be held April 16 – 19, 2015, at the Inn of the Hills in Kerrville, TX.

Registration is simple. The cost is low - only \$195/person if you register early. Registering your spouse as well will insure that he/she gets to hear dynamic speakers, watch excellent entertainment, eat delicious food, and hear about exciting things that are going on in our district.

We are also offering a round-trip bus to the event for only \$75 a person, so register early for this as seats are limited. Excursions will be open for registration on March 1.

After you register, be sure that you call 800-292-5690 to reserve your room at the low, discounted rate of \$103 a night. This will be a vacation to remember for your whole family with fun, fellowship, and facts about Rotary's impact on the world that will make you proud to be a Rotarian.

Highlighting Outstanding Members This International Women's Day

Thousands of women across Rotary deserve recognition on International Women's Day, March 8, and while it isn't possible to highlight them all, we chose to profile several of them. These are women who work tirelessly on behalf of others, and whose efforts touch lives across the world, often in remote and inhospitable places. With projects focused on child and maternal health, economic development, and other humanitarian concerns, these women are proof of Rotary's diversity and global reach.

Ola Al-Awamleh Almasri - Amman, Jordan - Rotary Club of Amman Capital

Almasri helped build a water-catchment system for a public school in Jordan with a large enrollment of underprivileged students. She's also organized and supported vocational projects that train students to become entrepreneurs. She was recognized by Forbes as one of the top 50 businesswomen in the Arab world.

Fary Moini - San Diego, California, USA - Rotary Club of La Jolla Golden Triangle

Over the last 10 years, Moini has taken 19 trips to Afghanistan to work on projects ranging from school construction to setting up computer labs. Her fellow Rotary members called her "inspirational" in her involvement in the building of a school in Jalalabad, and in helping to provide neonatal and midwife training for medical professionals.

Christina Covotsou-Patroclou - Limassol, Cyprus - Rotary Club of Limassol-Berengaria Cosmopolitan

Covotsou-Patroclou is a charter member of the Interact Club of Limassol, and helped launch the Rotaract Club of Limassol-Amathusia, the first Rotaract club in Cyprus. A former Paul Harris fellow, she worked with ShelterBox in 2006 to provide aid in Lebanon.

Deepa Willingham - Solvang, California, USA = Rotary Club of Santa Ynez Valley

Willingham is founder and chair of PACE Universal (Promise of Assurance to Children Everywhere), a nonprofit organization that educates girls in the world's poorest areas and works to prevent child trafficking. Working with Rotary clubs around the world, the center she formed provides education, microloans, health care, clean water and sanitation, and community infrastructure. "Together, we have created a site that is affecting the lives of 30,000 to 40,000 people," Willingham says.

Teodora Alinsod Lucero - Laguna, Philippines - Rotary Club of Santa Rosa Centro

A midwife, Lucero is operating a birthing clinic that delivers an average of 500 babies a year. She also organizes a free medical clinic and workshop for pregnant women in underserved communities. In 2013, the National General Assembly of Midwives presented her the Gaward Agham Special Award for Excellence in clinical care.

Carolyn Jones - Anchorage, Alaska, USA - Rotary Club of Anchorage East

The first woman to serve as a Rotary Foundation trustee, Jones has traveled to Russia as a Rotary volunteer five times, three of them as a preschool teacher for developmentally delayed children in orphanages. But her volunteer efforts have taken her elsewhere as well: "In the 27

years that I've been a Rotarian, I've administered polio drops in India, planted trees in Brazil, promoted microcredit in Costa Rica, and delivered baby formula in Uganda," Jones says.

Bernadette Blackstock - Franklinville, New Jersey, USA - Rotary Club of Glassboro Sunrise

The CEO of People for People Foundation, Blackstock helps normally self-sufficient people who have fallen on hard times to afford food, clothing, rent, utilities, medications, and other life necessities. "Since 2003, our foundation has served over 10,000 families," Blackstock says.

Ginger Vann - Baker, Louisiana, USA - Rotary Club of Baker

Vann coordinates a tutoring program for at-risk students. With the help of her club, she renovated a derelict school building and worked with tutors to reach 50 students a day. She's also passionate about workforce development in Baker, where well-paying craftsman jobs often go unfilled. "We're not going out there and finding just anybody; we're targeting the unemployed, underemployed, and veterans," Vann says.

Worship of Tools Day – Mar 11

IDIOT SIGHTING

I live in a semi rural area.

We recently had a new neighbor call the local township administrative office

to request the removal of the DEER CROSSING sign on our road.

The reason: 'Too many deer are being hit by cars out here!

I don't think this is a good place for them to be crossing anymore.'
