March is Rotary Literacy Month

By 2008-09 RI President D.K. Lee

We have long supported literacy and education for all. Our projects have strengthened schools, built community libraries, and given the precious gift of reading and writing to those in need. As we celebrate Literacy Month this March, we are confronted by the monumental challenge of helping nearly a billion people experience the essential pleasure and power of reading and writing.

Without these fundamental skills, too many of our friends and neighbors will remain trapped by poverty, hunger, and disease. Despite this challenge, we are heartened by the company of trusted friends and new allies in our struggle to stop illiteracy. Over the last year, RI has renewed our relationship with the International Reading Association, allowing Rotary clubs to benefit from the experience of local and international literacy professionals. In addition, The Dollywood Foundation, our newest literacy ally, is working with Rotary clubs across North America and the United Kingdom to support early childhood literacy through its Imagination Library program. [Dolly Parton will be featured at the Rotary International Convention this year in Montreal, Canada]

While these relationships heighten the effectiveness and impact of our projects, little would be possible without your active support for literacy. Your contributions are significant, and I urge you to renew your commitment to this vital effort. Our success depends on careful planning. As business, professional, and community leaders, we must pause to consider what more our clubs and districts can do to support literacy in the months and years ahead. We must invest in strong champions for literacy in our communities, including our own club and district literacy chairs, to strengthen and lead our literacy efforts.

Uniting to Kick Polio out of Africa

In the months leading up to the FIFA World Cup in June, Rotary clubs across Africa have been gearing up for the final push to kick polio out of the continent.

On 23 February, Rotary's 105th anniversary, a Kick Polio Out of Africa campaign launched with the symbolic kicking of a soccer ball signed by Archbishop Emeritus Desmond Tutu, a polio survivor.

The journey began in Cape Town, South Africa, one of the host cities for the 2010 World Cup. The ball will travel through 22 polio-affected countries en route to the RI Convention in Montréal, Québec, Canada, in June. The primary sponsor of the campaign is DHL Express.

During the ball's four-month journey, Rotary clubs in the polio-affected countries will hold soccer-related polio awareness events to mobilize public support for immunization activities. Along the way, the ball will be signed by each national PolioPlus committee chair. Follow the ball's journey on the [Kick Polio Out of Africa blog](#). An [interactive map](#) shows African countries' efforts to end the disease.

Synchronized immunization activities took place in 19 Central and West African countries 6-8 March, with more than 400,000 health workers and volunteers reaching over 85 million children. The initiative was made possible largely by US\$30 million in funding from Rotary International.

The synchronized immunizations were part of an ongoing response to the epidemic that spread in 2008 from polio-endemic Nigeria to neighboring countries that had been polio-free. The effort will be repeated in the same countries on 24 April.

"We at Rotary are proud to have provided the necessary funding for the March rounds, and we call on others to play their part in making Africa polio-free by providing funding necessary for more high-coverage campaigns," says African Regional PolioPlus Committee Chair Ambroise Tshimbalanga Kasongo.

The synchronized immunization strategy has proved effective. The first wave of infected countries -- Benin, Central African Republic, Côte d'Ivoire, Ghana, Niger, and Togo -- stopped the outbreak in 2009. In addition, this year the number of cases in Nigeria has plummeted to just one as of 23 March, compared with 90 for the same period in 2009. However, the outbreak is still active in nine other countries.

"What this means in very simple terms is that we are now reaching more children. Ending polio in Nigeria is now more than ever before seen as realistic, clearly achievable," says Nigeria PolioPlus Committee Chair Busuyi Onabolu. "And Rotary International, as catalyst for the Global Polio Eradication Initiative, is determined to mobilize the citizenry toward ensuring that every child is immunized."

Joan Wilkinson, Spouse of Past RI President, dies

Joan Wilkinson, wife of Rotary Foundation Trustee and 2007-08 RI President Wilfrid J. Wilkinson, died on 22 March. She was 78.

Joan, of Trenton, Ontario, Canada, was a founding member of the Inner Wheel Club of Trenton and served in all of its offices, including president. She was an honorary member of the Rotary Club of Trenton.

"Joan was an outstanding first lady. She was deeply devoted to Wilf, her family, and to Rotary," says Foundation Trustee Vice Chair John F. Germ, who served as aide to the president in 2007-08. "I don't

think she ever met a stranger, because she considered everyone she came across as a friend. She went out of her way to meet people and make them feel at home."

After graduating high school, where she met her husband, Joan worked in the statistician's office of the Bell Telephone Company of Canada. During her youth, she was active in the Girl Guides of Canada.

Joan was a fundraiser for the Heart and Stroke Foundation of Ontario, Canadian Cancer Society, and Hastings Manor senior citizens home. She was also a provincial board of inquiry member and was active in the Trenton Memorial Hospital Auxiliary and the Trenton Memorial Library. She worked with local children in need and became the first chair of the Dufferin Street Preschool.

Visitation will take place 25-26 March at Rushnell Funeral Centre, 60 Division St., Trenton. Funeral services will be held on 27 March at St. Peter's Catholic Church, Dundas St. W. and Queen St., Trenton.

Joan is survived by her husband and their sons, Stephen, Bill, Peter, and John. In lieu of flowers, Wilf Wilkinson asks that contributions be made to [The Rotary Foundation](#) in his wife's memory.

Today's Thoughts in Honor of

Children's Book Day – April 2

"I do not mean to suggest that our handsome, newly enlarged library is to be a headquarters of busy bookworms, old and young, routinely absorbing knowledge by the hour while birds sing outside and the Mets fight it out for last place in the National League. On the contrary, a good library is a joyful place where the imagination roams free, and life is actively enriched."

- **John K. Hutchens (1906 - 1995)**

National Walk to Work Day – April 2

Exercise ferments the humors, casts them into their proper channels, throws off redundancies, and helps nature in those secret distributions, without which the body cannot subsist in its vigor, nor the soul act with cheerfulness.

- **Joseph Addison (1672 – 1719)**

Weddings

Old aunts used to come up to me at weddings, poking me in the ribs and cackling, telling me, "You're next."

They stopped after I started doing the same thing to them at funerals.
