In May 2006, she was hired as a Wish Manager for the Make-A-Wish Foundation of North Texas located in Irving, Texas. She has helped grant over 300 wishes for deserving children in our area. Ashley now serves as the Director of Program Services and oversees the wish-granting process for 16 counties in the Metroplex. The Make-A-Wish Foundation grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength, and joy.

Flag Work Day and Partner Incentive Day May 2nd

While Rotarians are prepping their assigned routes on our May 2nd work day, participating partners have been asked to canvass their assigned routes and sell flag leases to those homeowners that have yet to sign up with a goal to have maximum participation in each neighborhood that we serve. This will help the partners and their leaders become familiar with their assigned routes before flag season and they will be able to earn extra money for their organization by selling flag leases. Each individual will receive \$5.00 per sale. Each participating group will also receive a \$50 gift certificate to The Academy as an incentive.

At 1:00 all Partners and Rotarians will meet at Towne Lake for a BBQ of Hot Dogs and Hamburgers to celebrate the beginning of our new Flag Season. A Flag orientation will be given by Bryan Northington for all flag partners prior to handing out the Incentive Awards.

Flag assignments will be handed out at the shed between 8:30 and 9:00 AM and the work day and sales will conclude at noon.

Today's Thoughts in Honor of

April Fools Day – April 1

"No man is so foolish but he may sometimes give another good counsel, and no man so wise that he may not easily err if he takes no other counsel than his own. He that is taught only by himself has a fool for a master."

- **Hunter S. Thompson (1937 – 2005)**

One thing kids like is to be tricked. For instance, I was going to take my little nephew to Disneyland, but instead I drove him to an old burned-out warehouse. "Oh, no," I said. "Disneyland burned down." He cried and cried, but I think that deep down, he thought it was a pretty good joke. I started to drive over to the real Disneyland, but it was getting pretty late.

- **Jack Handy**

School Librarian Day – April 4

"When you read a classic you do not see in the book more than you did before. You see more in you than there was before."

- **Clifton Paul Fadiman (1904 – 1999)**

A grandmother was surprised by her 7-year-old grandson one morning. He had made her coffee. She drank what was the worst cup of coffee in her life. When she got to the bottom, there were three of those little green army men in the cup. She said, "Honey, what are these army men doing in my coffee?"

Her grandson replied, "Grandma, it says on the TV that the best part of waking up is soldiers in your cup."

Florida Interactors fight polio in India

Interactor Sophia Hameed, of Miami, recently returned to India, her country of birth, to participate in [National Immunization Days](#).

Hameed, and fellow Interactor Anna Holmbraker, both 17, of Key Largo, joined a group of more than 40 Rotarians to help immunize children in Chandigarh during a 12-day trip in February.

Born in Nagpur, Hameed came to the United States when she was nine. She says she wants to do her part to resolve the paradox of India's growing wealth and extreme poverty.

"India is an amazing country with great doctors and hospitals and a strong upper middle class," says Hameed, a member of the [Interact](#) Club of Miami High. "But there is still extreme poverty in

places where children can't receive the most basic medical care. So, I jumped at the opportunity to join Rotarians and return to India to give something back."

For three days, the Interactors and their group walked through the Bapu Dham Colony, a slum in Chandigarh, vaccinating about 80,000 children. The challenges facing families there were on stark display.

"It was heartbreaking to see the devastating conditions some of these children live in," says Hameed. "The children I interacted with will always be imprinted in my mind as a reminder of my mission of trying to combat the unfairness in the world."

Holmbraker was impressed by the optimism of the children she met. "I fell in love with the kids," she says.

Hameed raised \$3,500 to cover expenses, including a \$1,000 grant from the Rotary Club of Miami, which sponsored her trip, and donations from faculty and staff at her school, where she is a senior.

Holmbraker was sponsored by the Rotary Club of Upper Keys. She collected more than \$2,000 during a spaghetti dinner fundraiser she held for friends, teachers, and church members, and received a \$2,500 grant from the Rotary Club of Key Largo.

"I'm so glad I was able to share this experience with another student," says Holmbraker. "Sophia was a great traveling buddy."

Both agree that although traveling internationally can be educational, it isn't for every Interactor, especially younger club members.

"It takes a level of maturity to go on a trip like the one we went on," says Hameed. "It's important to have a strong support system in place from your parents, local Rotary clubs, and school."

"Rotarians took such good care of us," says Holmbraker. "I was blown away by the hospitality host clubs showed."

Both look forward to being [Rotaractors](#), and maybe someday Rotarians.

"There was so much I learned about what Rotary does," says Hameed. "This is the type of international organization I would like to stay with my whole life."
