Mike Lesku – General Manager CMA Management

Mike Lesku is General Manager for CMA Management and is in charge of managing the Stonebridge Homeowners Association. Stonebridge is a community of 33,000 population and almost 9,000 residential homes and over 5,000 acres. He manages an office staff of 14 and a budget of almost \$7,000,000. Mike is very familiar with The Sunrise Rotary club as he is the former General Manager of El Dorado Country Club for a number of years. He will speak about the complication in running the largest HOA in Texas and how the last legislative sessions changes how they can manage the Association.

Today, Stonebridge Ranch is a community with 68 distinctive villages with homes ranging from the \$160's to over \$2 million, and a diverse population of young families, empty nesters, retirees and singles. There is no place like it in the Metroplex.

Kid Passionate About Raising Pennies to Fight Polio

With the help of friends, 11-year-old Tyler Dorsey is collecting thousands of pennies to help in Rotary's effort to eradicate polio.

After Tyler heard about a man in Alabama, USA, who had cashed in 1.3 million pennies in 2005 for \$13,000 in paper bills, he set out to surpass that feat and give the money to PolioPlus.

Though the children have not reached the million-penny mark yet, Tyler, Aida Alonso, Lindsey Hutchinson, and Connor Smith presented a check in February for \$1,008.04 to Shane Burr, governor of District 6910 (Georgia), and Gary Moore, district PolioPlus subcommittee chair. They will turn another check over to the district after 30 June and plan on continuing to raise funds for polio eradication after that.

The foursome started collecting pennies in July in memory of Wilford Ash, a local educator who had contracted polio as a child. The friends, members of the Better Home Town Junior Board in Cleveland, Georgia, also plan on selling jigsaw puzzles with historic scenes of Cleveland and donating a portion of the proceeds to PolioPlus.

“I’ve just always wanted to help people,” says Tyler, who said he is excited the pennies are helping more than 1,000 children. It costs as little as 60 cents to protect a child against polio.

“Just thinking about people not being able to walk is a very sad situation,” says Aida.

To collect the pennies, the children distributed 20 jars and three plastic tubs among downtown businesses. The White County Fire Department donated a 5-gallon bucket of pennies, and White County Rotarians made contributions and picked up some of the containers.

Tyler learned about Rotary through Maria Jurado-Flynn, president of the Rotary Club of White County and executive director of Cleveland Better Home Town. Tyler’s father, a police officer, had introduced him to Jurado-Flynn after Tyler expressed an interest in historic preservation. In addition to revitalizing downtown, Cleveland Better Home Town organizes community events, so Jurado-Flynn asked Tyler, then age nine, to chair an autumn festival. He later received permission to create his own junior board and attended several Rotary club meetings.

On his own initiative, Tyler hosted a food drive last year that netted two truckloads of items and \$1,800, including donations from Rotarians.

“He’s really fallen in love with what Rotary does, and I really think it’s helped shape who he is becoming,” says Jurado-Flynn. “It’s going to shape what these kids do for the rest of their lives.”

Today's Thoughts in Honor of

Pet Owners Independence Day – April 17

I loathe people who keep dogs. They are cowards who haven't got the guts to bite people themselves.

- **August Strindberg (1849 - 1912)**

Patriots Day – April 19

"Citizens by birth or choice, of a common country, that country has a right to concentrate your affections. The name of AMERICAN, which belongs to you, in your national capacity, must always exalt the just pride of Patriotism, more than any appellation derived from local discriminations."

- **George Washington (1732 – 1799)**

The Oldest Profession

A surgeon, an architect, and a lawyer are having a heated barroom discussion concerning which of their professions is actually the oldest. The surgeon says, "Surgery is the oldest profession. God took a rib from Adam to create Eve, and you can't go back further than that."

The architect says, "Hold on! In fact, God was the first architect when he created the world out of chaos in seven days, and you can't go back any further than THAT!"

The lawyer puffs his cigar and says, "Gentlemen, gentlemen
-- who do you think created the CHAOS?"
