Rotary News In Breif From Around the Globe

Rotary clubs around the globe have many things in common, including a commitment to service. All year long, clubs are taking action to make a difference in their communities. Here's a roundup of recent club activities worldwide:

Australia

More than 200 children with disabilities played modified cricket during the second annual Dream Cricket Day in October. The Rotary clubs of Bowral-Mittagong, Berrima District, and Moss Vale worked with the Movement Disorder Foundation and the Bradman Foundation to organize the event, which took place in Bowral, home to Sir Donald Bradman, one of Australia's best cricketers.

Canada

Hospital visits can be frightening for children. To help provide comfort, the Rotary Club of Ajax, Ont., has donated stuffed animals to the Rouge Valley Ajax and Pickering hospital for the past eight years. In November, the club presented 463 plush toys, bringing its total to 10,000. The Canadian Imperial Bank of Commerce and local Walmart stores and Canadian Tire locations have contributed funds to the program.

England

The Rotary Club of New Milton hosts families in need for weeklong vacations in the bungalow it maintains by the English Channel. The families enjoy access to pools, tennis courts, and the nearby New Forest national park. Other Rotary clubs sponsor the guests, and members of the New Milton club are on hand to greet them and provide help during their stay. Over the past 45 years, 945 families – 21 each summer – have vacationed in the bungalow.

Guatemala

As part of a project to improve care for newborn babies in Santiago Atitlán, the Rotary clubs of Guatemala Norte and Sunnyvale, California, USA, distributed an educational DVD in Tz'utujil, the language of the municipality's Maya community. The video, which touches on nutrition, common illnesses, maternal and child health, hygiene, alcoholism, and domestic violence, is shown in the hospital waiting room and will air on the local cable television station. The clubs have provided the video to another Maya community as well.

India

The U.S. government estimates that 893 girls are born in India for every 1,000 boys, as compared with 955 girls in the United States. Although sex-selective abortion is illegal in India, many experts believe the disparity is a result of that practice. In response, the Rotary Club of Chandigarh renewed its campaign against female feticide in July by joining with Panjab University's School of Communication Studies to present a radio series entitled *Hamari Beti*. The show focuses on issues such as the societal reasons for sex-selective abortion and the role of doctors in preventing it.

Nigeria

Last spring, the Rotary clubs of Lagos Central and Dunwoody, Georgia, USA, began implementing water and sanitation projects in 12 schools in the states of Lagos and Ogun. While assessing community needs, the Rotarians discovered that sanitation systems would be as vital as clean water, as waterborne diseases were rampant. The US\$62,000 effort – supported in part by a Rotary Foundation Global Grant – has provided renovated toilet facilities as well as training on efficient water use and hygiene.

North Korea

The Rotaract Club of Shanghai, China, led a project to renovate the South Pyongan Pediatric Hospital in North Korea, which experienced severe flooding in 2008. The club donated US\$11,300 and, in partnership with Rotaractors in Hungary, collected additional funds from donors in Canada, China, France, and the United States. The contributions will help replace damaged windows and floors, and provide new surgical equipment for the pediatric operating room, where doctors perform 1,200 procedures every year.

Today's Thoughts in Honor of

Beverage Day – May 6

Beer is proof that God loves us and wants us to be happy.

- Benjamin Franklin (1706 – 1790)

National Teachers Day – May 8

"We are like children, who stand in need of masters to enlighten us and direct us; and God has provided for this, by appointing his angels to be our teachers and guides."

- Saint Thomas Aquinas (1275 – 1224)

A Pastor goes to the dentist for a set of false teeth.

The first Sunday after he gets his new teeth, he talks for only eight minutes.

The second Sunday, he talks for only ten minutes.

The following Sunday, he talks for 2 hours and 48 minutes.

The congregation had to mob him to get him down from the pulpit and they

asked him what happened.

The Pastor explains the first Sunday his gums hurt so bad he couldn't talk for more than 8 minutes. The second Sunday his gums hurt too much to talk for more than 10 minutes. But, the third Sunday, he put his wife's teeth in by mistake and he couldn't shut up...
