RIDGEVIEW MEMORIAL PARK

*Funeral Homes & Memorial Parks*

Turrentine Jackson Morrow  
Funeral Home

The Four Way Test  
of the things we think say or do....

1. Is It the Truth
2. Is It Fair to All Concerned
3. Will it Build Goodwill and better Friendships
4. Will it be Beneficial to all Concerned

## **Terry Turrentine**

Turrentine Jackson Morrow is a family owned business that includes six funeral homes and three memorial parks. These locations serve the many people and faiths of North Central Texas. We are a full service funeral home that can help you with all funeral service options including: immediate need, pre-planning, cemetery options, monuments and markers, florist, casket selection, out of state shipping, transportation services, tribute videos, life insurance, and more.

With over 67 years of experience we recognize that every family and culture is different, that's why we've also expanded to include more specialized services. These services include an on-site crematory for ceremonial and family attended cremations, an Asian memorial garden, a garden mausoleum, and the freedom to conduct your service in accordance with your beliefs. We have on site personnel who speak English, Spanish, Russian, and Chinese.

Today our facilities, services, and professional staff encompass all the elements needed to conduct a memorable, dignified and lasting tribute to your loved one.

We are pleased to have maintained our firm as a family-owned and operated business for four generations. Our firm has the distinct privilege of being the longest running business in Collin County. It is our strong family values that make a difference by having a sincere concern for your family's needs.

---

## **Joint Meeting with the Downtown Club**

This past Friday our club held it's annual joint meeting along with the Downtown club at Ricks Chophouse in Historic Downtown McKinney. We heard a great program from Keith Self about the current state and future of Collin County. It was a great program and thanks to all of our members who joined with the Downtown club fellowship filled lunch.

---

## **Julian Wallmueller**

Our Rotary Youth Exchange student, Julian Wallmueller, will be heading back to his home country of Germany on May 10. Please send him a note of thanks for being such a great youth exchange student and for how well he represented Rotary during his time here. I know the Bilyeus and the Froeses enjoyed having him and his health appetite during the time he stayed with each of them. We wish in a safe trip back home. Bon Voyage Julian.

## Council approves dues increase, unlimited e-clubs

Representatives from Rotary's 532 districts met in downtown Chicago 21-26 April, approving a number of measures designed to strengthen Rotary, increase membership, and enhance the organization's capacity to serve.

The Council on Legislation meets every three years to consider changes to the policies that govern Rotary International and its member clubs. This year's Council accepted an increase of US\$1 per year in per capita dues, removed limits on e-clubs, permitted satellite clubs, and changed the name of the fifth Avenue of Service to "Youth Service."

Council Representative William Pollard from Virginia, USA, noted that the representatives were united in a desire to make Rotary a stronger and better organization.

"Rotarians have different viewpoints on various issues and topics, and this is good for Rotary," he said. "I quickly learned that some items that might not be important to my district might be very important to a district in another country."

Among other actions during the week, representatives:

- Allowed districts to have more than two e-clubs. The 2010 Council made e-clubs, which meet electronically, a permanent part of Rotary. Proponents argued removing the limit will bring in new members and will appeal particularly to young professionals, who may be less able to meet in person weekly.
- Approved satellite clubs, whose members meet at a different time and location from their parent club but are still considered members of the parent club. The measure is intended to make it easier for members to develop the core for a new club.
- Increased the number of clubs that can take part in pilot projects from 200 to 1,000. The RI Board uses these pilots, which last for up to six years, to test new ideas, methods, and organizational frameworks for clubs. Pilot clubs that participate in these experiments are fully functioning Rotary clubs but are exempt from some requirements of the Standard Rotary Club Constitution.
- Approved changing the name of Rotary's Fifth [Avenue of Service](#), currently called "New Generations Service," to "Youth Service." The 2010 Council approved this Avenue of Service for youth, which joined the already established Club Service, Vocational Service, Community Service, and International Service. The name "New Generations" was meant to reflect the need to build the next generation of Rotarians, but proponents of the name change argued Wednesday that the word "youth" is more universally understood, both inside and outside Rotary, and clarifies the fact that these programs encourage Rotarians to empower youth.
- Approved a measure allowing participation in club projects to count toward club attendance requirements. The measure amends the Standard Rotary Club Constitution to require that a member attend or make up at least 50 percent of regular club meetings or engage in club projects for at least 12 hours in each half of the year, or a combination of both.

- Approved a measure allowing Rotarians outside the United States and Canada to receive an electronic edition of their official regional Rotary magazine, if one is available. Rotarians within the United States and Canada were given the option of receiving a [digital version of \*The Rotarian\*](#) by the 2010 Council.
- Approved a measure creating the office of vice governor, who would act as a substitute if the governor became unable to serve. The vice governor would be selected by the district's nominating committee from among the district's past governors.
- Removed the travel reimbursement policy from the RI Bylaws. This will enable the RI Board of Directors to develop a policy that is flexible, able to address emergency travel situations, and able to take advantage of cost-saving opportunities.
- Defeated two measures affecting [Rotaract](#), Rotary-sponsored service clubs for men and women ages 18 to 30. The Council rejected raising the age limit to 35, arguing that the older members would have little in common with 18-year-olds. They also argued Rotarians should reach out to include Rotaractors who are reaching the age limit in their Rotary clubs. They rejected establishing lower dues for Rotaractors who want to join Rotary, partly because Rotaract membership records have not been collected by RI.

## Area Meeting Makeup Locations

## Today's Thoughts in Honor of ....

### National Train Day– May 9

Neither a wise man nor a brave man lies down on the tracks of history to wait for the train of the future to run over him.

- Dwight D. Eisenhower (1890 – 1969)

### Mothers Day – May 12

Mothers hold their children's hands for a short while, but their hearts forever.

- Unknown

---

An old cowboy walks into the barbershop for a shave and a haircut and he tells the barber he can't get all his whiskers off because his cheeks are wrinkled from age.

The barber gets a little wooden ball from a cup on the shelf and tells the old cowboy to put it inside his cheek to spread out the skin.

When he's finished, the old cowboy tells the barber that was the cleanest shave he's had in years.

But he wanted to know what would have happened if he had swallowed that little ball.

The barber replied, "Just bring it back in a couple of days like everyone else does".
