Judge Keith Self

A fifth-generation Texan and graduate of the United States Military Academy at West Point, Keith Self served our nation for 25 years as an Army officer, first retiring from active duty in 1999, then recalled to active duty in 2002 – 2003 for service in Afghanistan and Qatar, serving on General Tommy Franks' staff.

Keith served for 12 years in Joint assignments (integrating Army, Navy, Air Force, and Marines):

- US embassy in Cairo, Egypt – helping to manage the \$2 Billion in US taxpayer-funded military aid to Egypt each year;
- US European Command, Germany – managing the US-Israeli military relationship;
- Pentagon – developing and implementing national strategy in the emerging high tech area of Information Warfare;
- National Security Council (NSC) Interagency Working Group in the White House complex – representing the Joint Staff;
- NATO military staff in Belgium – negotiating with 37 nations for forces to deploy to Kosovo and Bosnia.

Keith wears a Ranger Tab, Green Beret Tab, and Master Parachutist wings. As a Green Beret, Keith commended a Special Forces A-Team deploying a man-portable nuclear munition (suitcase nuke) among other airborne assignments. He is a graduate of the US Army Command and General Staff College and holds a Masters degree in International Relations.

First taking office as the Collin County Judge in 2007, Keith and his colleagues on the Commissioners Court reduced the county tax rate five times in eight years, and instituted a homestead exemption. The court also reformed the county pension fund to better protect the taxpayer against automatic contribution increases. The phenomenal growth of Collin County continues and major corporate headquarters continue to find a home in the county, most recently State Farm and Toyota.

Keith has been married to his wife Tracy for 39 years. They currently reside in McKinney TX.

Rotary International President, 2016 - 2017

John Germ

John Germ Selected as 2016-17 Rotary International President

John F. Germ, a member of the Rotary Club of Chattanooga, Tennessee, USA, and chair of the International PolioPlus Committee, is the selection of the Nominating Committee for President of RI in 2016-17. He will become the president-nominee on 1 October if there are no challenging candidates.

For Rotary to thrive, Germ says, members must face current and future challenges and opportunities with "passion, enthusiasm, perseverance, and above all, integrity."

"I envision Rotary boldly and creatively engaging the success of polio eradication, membership and identity issues, strengthening clubs, work with youth – our future lifeblood, and the creation of critical, strategic partnerships," says Germ. "The 2016-17 Rotary year offers a tremendous opportunity for Rotary International and the Foundation partnership unified and thriving, on all levels, via the six areas of focus."

Germ says no one should ever have to ask, "What is Rotary?"

"We will enhance Rotary's public image by successfully and enthusiastically marketing who we are, what amazing things we are doing, and incredibly, have done locally and globally," says Germ.

With the global economy still unpredictable, Germ says Rotary must make participation affordable and "also be unfailingly diligent in efforts to ensure we spend every dollar effectively and efficiently," he says.

In 1965, after four years in the U.S. Air Force, Germ, an engineer, joined Campbell and Associates Inc., an engineering consulting firm. He now serves as the company's board chair and chief executive officer.

He also serves on the boards of several organizations including the Public Education Foundation, Orange Grove Center Inc., and the Blood Assurance Inc. He is the founder and treasurer of the Chattanooga State Technical Community College Foundation and is president of the Tennessee Jaycee Foundation.

In 1970 he was recognized as Tennessee Young Man of the Year, Engineer of the Year, and Volunteer Fundraiser of the Year in 1992.

A Rotary member since 1976, Germ has served Rotary as vice president, director, Foundation trustee and vice chair, chair of Rotary's US\$200 Million Challenge, and RI president's aide. He is a recipient of Rotary's Service Above Self Award and The Rotary Foundation's Citation for Meritorious Service and Distinguished Service Award. He and his wife, Judy, are members of the Arch Klumph Society.

"Rotary will adapt to a rapidly changing world by embracing innovation within the guidelines of our tradition and values," says Germ. "By aggressively embracing new technologies, social media, and new opportunities, individuals and businesses will see that Rotary helps promote a good civic and public image while adding credibility to their people."

The Nominating Committee members are T.D. Griley, Newark, Ohio, USA (chair); José Antonio F. Antiório, Osasco, São Paulo, Brazil; Keith Barnard-Jones, The Island & Royal Manor of Portland, Dorset, England; Kenneth R. Today's Thoughts in Honor of

School Nurses Day – May 11th

Always right there to give comfort and care.

Steady and wise when temperatures rise.

Compassionate, kind, with a medical mind.

Skilled and alert when people are hurt.

Helpful and nice when giving advice.

Praised and at ease around folks hard to please.

Dependable, sensible... and, yes... indispensable.

Blame Someone Else Day – May 13th

If you could kick the person in the pants responsible for most of your trouble, you wouldn't sit for a month.

A teacher was finishing up a lesson on the joys of discovery and the importance of curiosity. "Where would we be today," she asked, "if no one had ever been curious?"

One child quietly spoke up from the back of the room. "Still in the Garden of Eden?"
