## **Rotary Happy Hour Meet-Up and New Member Orientation**

You will get an appetizer, an enchilada dinner and tea (beverage of choice optional) and the club covers this with your usual breakfast charge. What a deal! What is it? The Wednesday, June 20, 5:30 pm to 6:30 pm, Happy Hour Meet-Up and New Member Orientation is a chance to gather Sunrise Rotarians, spouses and friends for food, fellowship and bit of Rotary information. Your Club Service Director, Linda Terry, has scheduled this happy hour event at El Chico's back room. Salsa and chips will be in abundance. Come and have a fun time. Get better acquainted and learn some ins and outs of Rotary, the world's largest service organization. If you have never attended a New Member Orientation, your presence is expected and roll will be taken. But this is not just for new members. All come out, welcome our newest members, their spouses and friends, and get to know all in our family of Rotary. There will be no breakfast meeting at Eldorado Country Club on Wednesday, June 20, but I believe El Chico's can build a bacon taco if you are desperate. So Meet-Up, Tweet-Up, and Check-In at El Chico's, 5:30 pm, on Wednesday, June 20.

## White House Champions of Change

Ten U.S. Rotarians were honored Friday, April 20th, 2012, by the White House as Champions of Change for their volunteer work locally and internationally.

Of the ten honorees, one is a part of our RotaryDFW family of Rotarians, Jim Fulgham of the Arlington TX Rotary Club.

A tireless advocate for higher education in his local community, Jim Fulgham of Arlington, Texas has been a driving force behind the Rotary Scholarship Program at Webb Elementary School. Focused on helping children from disadvantaged families, the program provides a scholarship to every sixth-grader who goes on to finish high school and enroll in college. A retired consultant, Fulgham partnered with local colleges and universities and raised nearly \$1,000,000 to support the program. So far, 150 students have gone on to college. He also initiated "Read with Rotary," a

literacy program aimed at teaching adults how to read, and a program in which Rotary members mentor at-risk junior high students to keep them in school.

## From the Desk of the Governor

International is where, throughout the year, we have exchanges with our Rotary communities, locally, nationally and internationally. Particularly Internationally, we work on joint projects providing the needs to those so in need. Humanity in motion. It is both humbling to get involved and gratifying in goal achievements.

At the Convention, we have an opportunity to see all those communities represented in one place and discussing the past year's projects. This will be the eleventh Convention Peg and I have attended and they all bring home the spirit of International involvement and the power to inspire.....motivate. Bangkok, the 'Land of a Thousand Smiles' was an unforgettable experience meeting old friends at the event and making new ones. Peg and I can't wait for June, 2013 where we will experience the Lisbon, Portugal International Convention. See you there!!

## Rotaract President Receives Award

Collin College Rotaract Club Spring 2012 Sponsored by Plano Sunrise Rotary Club. A Rotaract Club or Interact Club is one of the best things that any club can be part of, for so many reasons. All of the young people all over our area are so willing to GIVE, time & energy AND they have so much more than all of us older members.

Our own President Trang Nguyen was awarded a trophy for the best club leader of Collin College at this years Student Organization Awards Reception.

## Interact Spring Fling

We had the **District 5810 Interact Spring Fling** this past Saturday, April 28th, which was graciously hosted again by Debi Holley, the incoming Mesquite Rotary Club President, at her beautiful home in Sunnyvale.

It was a blast! Over a hundred Interactors and Rotarians from the district got together to have fellowship, friendship, fun and food. One of the highlights, and there were many, was the relay race as

the last of the scheduled activities. Five teams vied for bragging rights and the pleasure of sharing the “candy trophy” with the others.

Ginny Ryan and Luke Anderson cooked the hamburgers that fed this hungry bunch at the end of the day.

Three Interact clubs were given recognition for their club efforts during this past school year. **Rockwall High** was recognized for its marketing of Interact through the production of a DVD promoting its many activities.

**Hillcrest High** was recognized for its community outreach and its successful fund raising efforts.

**Wylie East High** was recognized as the **Interact Club of the Year** for its many activities and fundraisers, including its international outreach.

District Interact Co-Chairs Beth Anderson and John Curtis enjoyed putting the pieces of this event together and are truly thankful for all the assistance received from Rotarians around the District, not the least of which came from Governor Bud and Peg McBrayer, who spent the day with the kids before heading to the International Convention in Bangkok.

## Indian philanthropist commits another US\$1 million for Rotary's polio eradication efforts

Rajashree Birla, of the Aditya Birla Group, has committed an additional US\$1 million to The Rotary Foundation for polio eradication efforts.

Birla, of Mumbai, announced the donation on 8 May at the Arch C. Klumph Society dinner during the 2012 RI Convention in Bangkok, Thailand. Birla's contributions to the Foundation's campaign to eradicate polio, including this commitment, total more than \$6.2 million.

Rajashree Birla address the 2012 RI Convention

Birla's late husband, Aditya, made the Aditya Birla Group into a Fortune 500 company and one of the largest in India. Today, her son, Kumar Mangalam, is chairman of the board, and she serves as a director.

"Mrs. Birla's presence at the convention, not just for her program segment but all four days, showed the regard she has for Rotary. She is magnanimity, dignity, compassion, humility and tranquility personified," said RI President Kalyan Banerjee. "It is not just the additional one million dollars she gave for Polio eradication but the grace and absolute commitment she reflects we admire and respect her for."

Past RI President Rajendra K. Saboo added that Birla's actions are the embodiment of goodness. "She is not just a generous philanthropist but seeks financial support from others and hands-on serves to get the drops in the mouths of children," Saboo said. "That is what makes her a 'Hero of Humanity.'"

"Aditya Birla was one of India's foremost industrialists and an active philanthropist," said Rotary Foundation Trustee Chair William B. Boyd in introducing Rajashree Birla at the convention. "His widow has continued this work through the family's foundation, introducing education and health care initiatives that improve the lives of underserved populations in rural India. The Birla family is a staunch supporter of the End Polio Now campaign and has contributed generously to [Rotary's] US\$200 Million Challenge fund."

Birla's contribution to the Foundation comes during India's breakthrough year in its fight to be polio-free. The World Health Organization (WHO) removed India from the list of polio-endemic countries in February, after the country hadn't reported a case of polio since January 2011. To be certified polio-free, India must go until February 2014 without another case of the disease. Continued support is needed to ensure that India and other countries remain polio-free and to stop transmission of the disease in the three remaining polio-endemic countries, Afghanistan, Nigeria, and Pakistan.

Birla, addressing the convention on 7 May, said, "Based on the success of Rotary International's initiatives in India — coupled, of course, with the admirable backing of the

government's health departments and institutions like WHO, UNICEF , CDC , and the Gates Foundation — the day is not far off for us to envisage the elimination of polio in the other three countries where unfortunately its traces remain.”

She added, “We owe it to ourselves and to humanity at large to ensure that in these three countries as well, polio becomes an affliction of the past.”

An honorary member of the Rotary clubs of Bombay and Mulund, Birla also stressed the need for business accountability and community service. Her Giving to Living campaign encourages corporations to “embed giving into their DNA.”

“When a corporation pushes its energies and helps resolve social sector issues through its engagement, it indirectly stimulates its own business development,” Birla said. “There is much to be gained when business leaders take giving to heart, and set the mandate of making a difference by caring for people in their community.”
