Lyle Froese – Friends of Rotary

Dr. Lyle Froese is a current Assistant Governor for Rotary District 5810 where he has served in a number of roles including District Trainer and District Assembly Chair. Lyle was the charter president for Grayson County Rotary Club in Sherman in 1987-88 and was the president of McKinney Sunrise Rotary in 2005-06.

Lyle is a graduate of Emporia (KS) State University where he received his Bachelors and Masters degrees in Secondary

Education with a major in Science. He completed his Doctorate in Education Administration at Texas A&M-Commerce in 1983.

Lyle was a classroom and TV science teacher in Kansas school districts before moving to Texas in 1970, where he served as Director of Instructional Media and Technology, and was later named Director of K-12 Curriculum in the Sherman ISD until November 1996.

In 1996, he was recruited by Region 10 Education Service Center in Richardson as a Program Director in the Instructional Services Division to provide training to most of the 90 member school districts in North Texas. After his official "retirement" in 2006, he continues as a part-time consultant for Region 10.

Lyle is married to Sandi, who has also been a Rotarian since 1987, and they have two grown children and two grandchildren. They moved to McKinney from Sherman in 1998.

Lyle's presentation is about a new program to "extend the reach" of Rotary to include outstanding community volunteers as "Friends of Rotary."

Rotary Happy Hour Meet-Up and New Member Orientation

You will get an appetizer, an enchilada dinner and tea (beverage of choice optional) and the club covers this with your usual breakfast charge. What a deal! What is it? The Wednesday, June 20, 5:30 pm to 6:30 pm, Happy Hour Meet-Up and New Member Orientation is a chance to gather Sunrise Rotarians, spouses and friends for food, fellowship and bit of Rotary information. Your Club Service Director, Linda Terry, has scheduled this happy hour event at El Chico's back room. Salsa and chips will be in abundance. Come and have a fun time. Get better acquainted and learn some ins and outs of Rotary, the world's largest service organization. If you have never attended a New Member Orientation, your presence is expected and roll will be taken. But this is not just for new members. All come out, welcome our newest members, their spouses and friends, and get to know all in our family of Rotary. There will be no breakfast meeting at Eldorado Country Club on Wednesday, June 20, but I believe El Chico's can build a bacon taco if you are desperate. So Meet-Up, Tweet-Up, and Check-In at El Chico's, 5:30 pm, on Wednesday, June 20.

Polio eradication shifts into emergency mode

Despite the dramatic drop in polio cases in the last year, the threat of continued transmission due to funding and immunization gaps has driven the Global Polio Eradication Initiative (GPEI) to launch the Global Polio Emergency Action Plan 2012-13.

The plan aims to boost vaccination coverage in the three remaining polio-endemic countries -- Nigeria, Pakistan, and Afghanistan -- to levels needed to stop polio transmission. Health ministers meeting at the World Health Assembly in Geneva adopted a resolution on 25 May that declared “the completion of polio eradication to be a programmatic emergency for global public health.”

Polio eradication activities have resulted in several landmark successes since 2010. India, long regarded as the nation facing the greatest challenges to eradication, was removed from the list of polio-endemic countries by the World Health Organization (WHO) in February. Outbreaks in previously polio-free countries were nearly all stopped.

During that same time span, however, polio outbreaks in China and West Africa due to importation from Pakistan and Nigeria, respectively, have highlighted the continued threat of resurgence. Failure to eradicate the disease could lead within a decade to paralysis of as many as 200,000 children per year worldwide.

“Polio eradication is at a tipping point between success and failure,” says Dr. Margaret Chan, director-general of WHO. “We are in emergency mode to tip it towards success -- working faster and better, focusing on the areas where children are most vulnerable.”

Eradicating polio would generate net benefits of US\$40-50 billion globally by 2035, with the bulk of savings in the poorest countries, based on investments made since the GPEI was formed, savings from reduced treatment costs, and gains in productivity.

“We know polio can be eradicated, and our success in India proves it,” says Rotary International President Kalyan Banerjee. “It is now a question of political and societal will. Do we choose to deliver a polio-free world to future generations, or do we choose to allow 55 cases this year to turn into 200,000 children paralyzed for life, every single year?”

Global emergency action plan

The GPEI’s emergency action plan was developed in coordination with new national emergency plans. The plan builds on India’s success and outlines a range of new strategies and initiatives to better support polio eradication efforts, including:

- Intensified focus on the worst-performing areas of Nigeria, Pakistan, and Afghanistan to increase vaccination coverage by the end of 2012 to levels needed to stop transmission
- New approaches tailored to each country to tackle persistent challenges and improve polio vaccination campaign performance
- Heightened accountability, coordination, and oversight to ensure success at every level of government and within every partner agency and organization
- A surge of technical assistance and social mobilization capacity

Full funding of new plan critical

Already, funding shortages have forced the GPEI to cancel or scale back critical immunization activities in 24 high-risk countries, leaving more children vulnerable to the disease and polio-free countries exposed to the risk of reintroduced transmission.

“All our efforts are at risk until all children are fully immunized against polio -- and that means fully funding the global eradication effort and reaching the children we have not yet reached,” says UNICEF Executive Director Anthony Lake. “We have come so far in the battle against this crippling disease. We can now make history -- or later be condemned by history for failing.”

Full implementation of the emergency action plan is hindered by a funding gap of nearly \$1 billion through 2013. “We are all responsible for creating a polio-free world while we still can,” says Chris Elias, president of global development at the Bill & Melinda Gates Foundation. “Achieving this goal is a critical step in protecting all children from vaccine-preventable diseases.”

June 25-----Combined Board Meeting – 7:00 AM – Market Street Culinary School

June 27-----Johnny Quinn – The Athlete Watch

Sponsored by Chuck Koehler

Today's Thoughts in Honor of

Water a Flower Day – May 30

“The earth laughs in flowers.”

- Ralph Waldo Emerson (1803 – 1882)

Hug Your Cat Day – June 4

Of all God's creatures there is only one that cannot be made the slave of the lash. That one is the cat. If man could be crossed with cat it would improve man, but it would deteriorate the cat.

- Mark Twain (1835 – 1910)

One afternoon, the husband returns the boat to their lakeside cottage after several hours of fishing and decides to take a nap.

Although not familiar with the lake, the wife decides to take the boat out. She motors out a short distance, anchors, puts her feet up, and begins to read her book. The peace and solitude are magnificent.

Along comes a Fish and Game Warden in his boat. He pulls up alongside the woman and says, 'Good Afternoon, Ma'am..What are you doing?'

'Reading a book,' she replies, (thinking, 'Isn't that obvious?')

'You're in a Restricted Fishing Area,' he informs her.

'I'm sorry, officer, but I'm not fishing. I'm reading.'

'Yes, but I see you have all the equipment. For all I know you could start at any moment. I'll have to take you in and write you up.'

'If you do that, I'll have to charge you with sexual assault,' says the woman.

'But I haven't even touched you,' says the Game Warden.

'That's true, but you have all the equipment.. For all I know you could start at any moment.' Have a nice day ma'am,' and he left.
