Elinor Williams – McKinney Housing Authority – Resident Council

Elinor serves as a board commissioner for the McKinney Housing Authority and the President of the Resident Council. Elinor is a native of West Palm Beach, Florida and moved to McKinney 3 years ago with two of her three children. Her eldest daughter is attending college in Florida. Mason, 12, attends Caldwell Elementary; and Jaden, 4, attends Holy Family Day School. Elinor's passion for children and her love for God has been her motivator. While some roads have been rough, she has continued to obey and trust God; serving as he has asked her to do.

Elinor worked as a medical assistant for 8 years, with 8 years of moonlighting as a tax preparer and office manager for H & R Block. Recently, she decided to continue her education in nursing seeking her BSN.

Elinor works within the community to provide resources and programs that establish self-awareness and sufficiency.

Where Elinor can be a part and make a difference in a child's life, that is where you find her. She is in the outreach ministry for Birthday Blessings (an organization that provides birthday parties for underprivileged children).

Elinor attends Lifepoint Fellowship in McKinney and she is a Sunday school teacher for youth ministry I-Grow (1st – 3rd graders)

Elinor is excited about offering the "pay for grades/perfect attendance" incentive to the children of the McKinney Housing Authority. Through this incentive, Resident Council hopes to achieve a successful student population with higher promotional rates and graduates.

Tanaka elected RI president for 2012-13

Sakuji Tanaka, a member of the Rotary Club of Yashio, Saitama, Japan, was elected president of Rotary International for 2012-13 by delegates during the fourth plenary session at the 2011 RI Convention in New Orleans, Louisiana, USA.

"It is my honor to accept the nomination to serve as president of Rotary International," said Tanaka. "Since I joined Rotary, I have embraced every new challenge of Rotary service. To me, *challenge* is a very important word. It inspires us. It also helps us to be and to do our best. It allows us to bring out our fullest potential."

Tanaka encouraged Rotarians to help Rotary reach its potential by finishing the job of polio eradication and using the organization's strengths to enhance its ability to "do good in the world."

He said Rotarians share a responsibility to make Rotary clubs stronger by attracting quality members and ensuring that every club meeting is productive and meaningful. He also called upon clubs to make an action plan to bring in younger members.

"We need to stop talking about this. Instead, why don't we just do it!" he said.

Tanaka also took a moment to thank Rotarians for the outpouring of assistance after the earthquake and tsunami that struck his country in March. "People around the world, particularly Rotarians, offered help to rebuild the communities that were lost. Only with the knowledge that we are not alone, can we work together for the long healing process after such tragedy."

For 32 years, Tanaka was president of Tanaka Company Ltd., a wholesale firm that went public in 1995 and later merged with other leading wholesalers in Japan. Currently, he serves as vice president of the Yashio City Chamber of Commerce and adviser to Arata Co. Ltd., an animal feed and pet food wholesaler. He also chaired the National Household Papers Distribution Association of Japan for eight years. Tanaka studied business at Nihon Management Daigakuin and Tokyo Management Daigakuin.

A past trustee of The Rotary Foundation, Tanaka chaired the 2009 Birmingham Convention Committee. His other service to Rotary includes RI director, regional Rotary Foundation coordinator, district governor, and member of the Polio Eradication Advocacy Task Force, the Permanent Fund Committee for Japan, and the Future Vision Committee.

Sakuji Tanaka delivered his acceptance remarks during the fourth plenary session.

Tanaka established an endowed Rotary Peace Fellowship, and he and his wife, Kyoko, are Paul Harris Fellows, Benefactors of the Permanent Fund, and Major Donors.

He is a recipient of RI's Service Above Self Award and The Rotary Foundation's Distinguished Service Award.

The Rotarians who will serve as RI directors in 2012-14 were also elected: Ann-Britt Åsebol, of the Rotary Club of Falun-Kopparvågen, Sweden; John B. Boag, of the Rotary Club of Tamworth North, New South Wales, Australia; Jean-Marc Chateigner, of the Rotary Club of Cholet, Maine-et-Loire, France; Takeshi Matsumiya, of the Rotary Club of Chigasaki-Shonan, Kanagawa, Japan; Anne L. Matthews, of the Rotary Club of Columbia East, South Carolina, USA; Gideon Peiper, of the Rotary Club of Ramat Hasharon, Israel; Andy Smallwood, of the Rotary Club of Gulfway-Hobby Airport (Houston), Texas, USA; and Bryn Styles, of the Rotary Club of Barrie-Huron, Ontario, Canada.

World Environment Day – June 5

"We cannot command nature except by obeying her."

- Sir Francis Bacon (1561 – 1626)

Judy Wallman, a professional genealogy researcher in southern California , was doing some personal work on her own family tree.. She discovered that Senator Harry Reid's great-great uncle, Remus Reid, was hanged for horse stealing and train robbery in Montana in 1889. Both Judy and Harry Reid share this common ancestor.

The only known photograph of Remus shows him standing on the gallows in Montana territory:

On the back of the picture Judy obtained during her research is this inscription: 'Remus Reid, horse thief, sent to Montana Territorial Prison 1885, escaped 1887, robbed the Montana Flyer six times. Caught by Pinkerton detectives, convicted and hanged in 1889.' So Judy recently e-mailed Senator Harry Reid for information about their great-great uncle.

Believe it or not, Harry Reid's staff sent back the following biographical sketch for her genealogy research: "Remus Reid was a famous cowboy in the Montana Territory . His business empire grew to include acquisition of valuable equestrian assets and intimate dealings with the Montana railroad. Beginning in 1883, he devoted several years of his life to government service, finally taking leave to resume his dealings with the railroad. In 1887, he was a key player in a vital investigation run by the renowned Pinkerton Detective Agency. In 1889, Remus passed away during an important civic function held in his honor when the platform upon which he was standing collapsed."

NOW THAT's how it's done, Folks! That's real POLITICAL SPIN !!!
