Ty Lake – McKinney Main Street

Ty Lake, Program Director, will describe the **McKinney Main Street Program**, the budget and funding sources, and new projects for the coming year. Main Street is a national program born out of the National Trust for Historic Preservation. Since 1980, the National Main Street Center has been working with communities across the nation to revitalize historic commercial areas. Based in historic preservation, the Main Street approach was developed to save historic commercial architecture, but has become a powerful economic development tool as well. McKinney Main Street is a 501 (c) 3 non-profit organization.

Thousands of people enjoy the free downtown festivals of *Scare on the Square* for Halloween, *Oktoberfest*, *Krewe of Barkus* dog parade, and the annual favorite *Dickens of a Christmas*. In a recent interview, Ms. Lake said, "Funding for our free festival events is a critical element for the Main Street organization. As McKinney and our events grow, we needed a new, creative funding source that not only brings in donations, but will also encourage residents to take a real ownership in our community events." Ms. Lake will tell us about a new volunteer program called "*Members of the Friends of Main Street*." Ms. Lake is the guest of Lyle and Sandi Froese.

Installation Banquet

The dinner will be Wednesday, June 10th at the Outback Steakhouse in Plano, and will replace our regular Wednesday morning meeting. The event will start at 6:30, although we encourage you to show up early for the socializing *and* the drink specials if so inclined.

Several district-level Rotarians will be in attendance including the current District Governor LB Showalter and his wife. This promises to be a special event that you won't want to miss.

For all current members the cost will be **FREE!!!** Our Board of Directors has agreed to pay the difference from our regular cost for breakfast and the cost of the meal at The Outback. There will be several menu items to choose from so there should be something to satisfy everyone's taste (sorry Bill, no bacon). The cost for spouses and guests will be \$15. They can make a check payable to McKinney Sunrise Rotary at the door. Please RSVP by this Wed. June 3.

Governor Installation Dinner

This Years District Governor Installation Dinner will be on Tuesday June 30th from 6:00 to 9:00. It will be held at the Frontiers of Flight Museum on 6911 Lemmon Ave. in Dallas. Cost for the event will be \$30.00 per person which includes Dinner and Drinks (water, tea, coffee, wine, beer, and margaritas). Checks may be mailed to Heather Jennings, The Rotary Club of Dallas, 1717 N. Akard Street, Dallas, 75201. Complimentary Valet Parking will be provided at the entrance to the museum.

Today's Thoughts in Honor of

National Gardening Exercise Day – June 6

I used to visit and revisit it a dozen times a day, and stand in deep contemplation over my vegetable progeny with a love that nobody could share or conceive of who had never taken part in the process of creation. It was one of the most bewitching sights in the world to observe a hill of beans thrusting aside the soil, or a rose of early peas just peeping forth sufficiently to trace a line of delicate green.

- **Nathaniel Hawthorne (1804 – 1864)**

Best Friends Day – June 8

"In poverty and other misfortunes of life, true friends are a sure refuge. The young they keep out of mischief; to the old they are a comfort and aid in their weakness, and those in the prime of life they incite to noble deeds."

- **Aristotle (384 BC – 322 BC)**

Saturday morning I got up early, dressed quietly, made my lunch, grabbed the dog and fishing equipment, slipped quietly into the garage to hook the boat up to the truck, and proceeded to back out into a torrential downpour.

The wind was blowing 50 mph. I pulled back into the garage, turned on the radio, and discovered that the weather would be bad throughout the day.

I went back into the house and slipped back into bed, where my wife was turned away from me. I whispered to her, "The weather out there is terrible."

My loving wife of 20 years replied, "Can you believe my stupid husband is out fishing in that mess?"

I still don't know to this day if she was joking, but I've stopped fishing.

Rotaractors camp out for 'invisible children'

Rotaractor Alyssa Herter and a fellow member of her Michigan, USA, club joined hundreds of demonstrators camping out on the streets of Chicago in May to call attention to the abduction of children in northern Uganda.

The Rescue, as the event was dubbed, was part of an international demonstration organized by Invisible Children, a nonprofit media-based group that raises awareness of children forced to become soldiers in Uganda's civil war. Demonstrators set up an encampment for six days, which culminated in an appearance on *The Oprah Winfrey Show* on 1 May.

"It was an incredible experience," says Herter, a member of the Rotaract Club of Kalamazoo and cochair of the club's international service committee. "Everyone was so passionate about this cause. We really want people to become aware of the atrocities going on with these children."

Chicago was the last stop in a 100-city, 10-country awareness campaign. In each city, participants marched by foot to a local site, set up tents and wrote letters for a political or cultural figure to come and "rescue" them by making a public statement on behalf of the child soldiers.

The Kalamazoo club, certified in March, designated Invisible Children its primary project, says Herter, who got involved in the movement three years ago after viewing the group's documentary, *Invisible Children: Rough Cut*, released in 2003 and [widely viewed on the Internet](#).

Club members plan to raise awareness by holding fundraisers on the campus of Western Michigan University and in Kalamazoo and by hosting free screenings of the documentary.

"So many people are in the dark about the issues in Uganda," says Herter. "Hopefully the initiatives we take will make a difference. Anyone who sees this heartbreaking documentary will be moved to do something."

Herter hopes that her Rotaract club can help counter some of the negative stereotypes of younger generations by showing the community that young people do care about being socially responsible, she says.

"I'm so proud of how quickly our club became involved with Invisible Children," she says. "Now, being involved in Rotary's incredible network, I can imagine our club accomplishing so much more."
