The Four Way Test
of the things we think say or do....

1. Is It the Truth
2. Is It Fair to All Concerned
3. Will it Build Goodwill and better Friendships
4. Will it be Beneficial to all Concerned

Changes you should know about for the new Rotary year

A new Rotary year is set to begin, and with it several programs aimed at helping clubs and districts enhance their projects, share information, and increase membership. In addition, a new group of leaders will take over at the club, district, and international levels.

Sakuji Tanaka, of the Rotary Club of Yashio, Japan, will become Rotary's 102nd president on 1 July and will encourage Rotarians to foster Peace Through Service. Read a profile of Tanaka from *The Rotarian* and download his convention speech.

Wilfrid J. Wilkinson, of the Rotary Club of Trenton, Ontario, Canada, will take over as Rotary Foundation trustee chair.

Other changes include the following:

- Beginning 1 July, The Rotary Foundation and the Water and Sanitation Rotarian Action Group will work together to offer resources and consulting services on major water and sanitation projects to several districts through a one-year pilot called the project enhancement process. These optional services will enable grant sponsors to tap into the technical expertise of their fellow Rotarians who are professionals in the field. To learn more, read these FAQs.
- In order to focus goal setting at the club and district levels on membership activities, the RI Board has set a membership goal of 1.3 million Rotarians by 30 June 2015. The Board has also approved regional membership plans that were created by committees of Rotary leaders led by the directors in each region. Each plan addresses the region's unique needs and customs. Districts and clubs are encouraged to use the regional membership plans as a guide in developing goals and strategies that are realistic and achievable and take into consideration historical trends and the opportunities within each region.
- RI will be launching Rotary Club Central in an effort to measure the organization's global impact. The new online tool allows clubs to set and track service, membership, and Foundation contribution goals.
- Through Rotary Showcase, Rotarians can share photos of and information about their clubs' service projects with the Rotary community and their Facebook friends. By indicating funds spent and hours volunteered, clubs and districts will also be helping track Rotary's global impact.
- A new convention website launches later this month, providing the latest news, travel tips, registration, housing information, and more on Rotary's largest annual gathering. Register now for the 2013 RI Convention in Lisbon, Portugal, 23-26 June. The End Polio Now

website will also be redesigned to include infographics, social media campaigns, status reports, and maps.

- RI will hold three Rotary Global Peace Forums in 2012-13, each consisting of a two- or three-day program to engage and inspire Rotarians and community leaders. The forums will take place 30 November to 2 December in Berlin, Germany; 25-27 January in Honolulu, Hawaii, USA; and 17-18 May in Hiroshima, Japan.
- The Council on Legislation will meet in April in Chicago to discuss and enact changes to the RI Constitution, RI Bylaws, and the Standard Rotary Club Constitution. The council meets every three years to review resolutions submitted by clubs, district conferences, the General Council and Conference of Rotary International in Great Britain and Ireland, and the RI Board. The Council comprises more than 500 representatives from every part of the Rotary world.
- As the Future Vision pilot enters its final year, Rotary clubs and districts will start preparing for Rotary's new grant model, which launches 1 July 2013.

July 11-----Donas Cole
July 18-----Tom Parker
July 25-----Jeff Caserotti
July 30-----Board Meeting – Market Street Culinary School 7AM
August 1-----Ed Miles
August 8-----Bill Smith

Today's Thoughts in Honor of

Fool's Paradise Day – July 13

Any intelligent fool can make things bigger and more complex... It takes a touch of genius - and a lot of courage to move in the opposite direction.

- Albert Einstein (1879 – 1955)

Cow Appreciation Day – July 15

"Tongue - a variety of meat, rarely served because it clearly crosses the line between a cut of beef and a piece of a dead cow."

- Bob Ekstrom

It's So True

- Hard work pays off later. Laziness pays off now!
- When you do a good deed, get a receipt, in case heaven is like the IRS.
- Be nice to your kids. They'll choose your nursing home.
- I still miss my ex. But my aim is getting better!
- A closed mouth gathers no foot.
- The Bill of Rights (Void where prohibited by law)
- A fool and his money can throw a great party.
- If there is no God, who pops up the next Kleenex?
- Remember, half the people in the world are below average.
- What happens if you get scared half to death twice?
- Losing a wife/husband can be hard. In my case it was nearly impossible.
- The trouble with life is there's no background music.
