## Officer Installation Banquet

Our Club had a great Officer Installation Banquet at Outback Steakhouse this past Wednesday where District Governor Linda Elliot installed our new officers and Juli Smith received the Rotarian of the Year Award. It was a great night for all the members and their guests.

## Foundation Alumni to gather in Cape Town

Former Ambassadorial Scholars who studied at the University of Cape Town and graduates of the university who spent their Rotary scholarship year abroad will be able to meet one another and reconnect with The Rotary Foundation during Ray's Rotary Reunions in South Africa, 3-5 February in Cape Town.

The first of the three reunions will feature addresses by RI President Ray Klinginsmith and the university's vice chancellor, as well as social events and campus tours.

"We have had over 41,000 former Ambassadorial Scholars worldwide, and we have lost track of many of them," says Klinginsmith, who proposed the reunions. "This is an experiment, and if it works well, it will become a model for other universities in other countries."

Rotarians in District 9350 (Angola; Namibia; South Africa) will host the events. The more than 3,500 former Ambassadorial Scholars, Group Study Exchange team members, and other Foundation alumni who studied in or are from the five districts in Southern Africa — 9210, 9270, 9320, 9350, and 9400 — are invited to participate in a larger reunion on 4 February.

Klinginsmith, a 1960-61 Ambassadorial Scholar at the University of Cape Town, suggested an alumni reunion several years ago while visiting the city. As the first person from his native Unionville, Missouri, USA, to study abroad, he logged over 15,000 miles speaking to 35 Rotary clubs in Southern Africa, including present-day Namibia, Zambia, and Zimbabwe.

"It provided an exposure to the world," Klinginsmith says. "I had traveled in the United States, but I had never been out of the country, and there was a good possibility that I would not have left the United States other than in the military."

### **Spirit of service**

Two weeks after Klinginsmith returned to Missouri, he joined the Rotary Club of Unionville. Since then, he has applied the ideals that he first learned as a scholar.

"They all were aware of that at the time of their study or visit abroad, but some of our alumni may have lost that spirit," says Klinginsmith, now a member of the Rotary Club of Kirksville. "We want to regenerate that spirit of service."

Rotarians from the five participating districts are invited to attend the 4 and 5 February reunions.

On the last day, 5 February, District 9350 will host an event for all Rotarians who have been involved or are interested in international service projects in Southern Africa. Klinginsmith encourages visiting Rotarians to seek out potential projects under the guidance of local clubs to further Reach Out to Africa, a two-year-old initiative to match the resources of the

Foundation and clubs in developed economies with needs in Africa. The event is also open to alumni.

During the reunions, alumni will also have the opportunity to view ongoing and potential Rotary club projects in the area.

“You don’t have to be a Rotarian to work on a service project. You don’t have to be a Rotarian to make a contribution to the Foundation,” Klinginsmith says. “We need to keep our alumni involved.”

Attendees will be encouraged to travel in South Africa, and local Rotarians will help make arrangements, including providing contact information for Rotarians outside of Cape Town, says reunion committee chair Rodney Mazinter.

Alumni and Rotarians interested in attending one or more of the reunions should contact Mazinter at mavrod@iafrica.com or 27-21-438-9377 to add themselves to the mailing list (for reunion and Foundation purposes only).

## Today's Thoughts in Honor of ....

### Cow Appreciation Day – July 15

I have been heartbroken once and it has affected all my relationships from there on. But now I look at it as a occupational hazard. If you are in the meat market at some point you are gonna get mad cows disease.

After becoming very frustrated with the attitude of one of the shopkeepers, the young blonde declared; 'Well, then, maybe I'll just go out and catch my own alligator and get a pair of alligator shoes for free!' The shopkeeper replied with a sly smile, 'Well, little lady, why don't you go on and give it a try?'

The blonde headed off to the swamp, determined to catch an alligator. Later in the day, as the shopkeeper was driving home, he spotted the same young woman standing waist deep in the murky water, shotgun in hand.

As he brought his car to a stop, he saw a huge 9-foot gator swimming rapidly toward her. With lightning reflexes, the blonde took aim, shot the creature and hauled it up onto the slippery bank. Nearby were 7 more dead gators all lying belly up? The shopkeeper stood on the bank, watching in silent amazement as the blonde struggled mightily and barely managed to flip the gator onto its back.

Then, rolling her eyes heavenward, she screamed in frustration...

CRAP! THIS ONE'S BAREFOOT, TOO!
