P.O. Box 2244, McKinney, Texas, 75070

Today's Program – Ken Roberts

At today's meeting we are honored to have some of the young men and women that our club sponsored to attend Camp RYLA early this summer. Charles Parker and Jessica Wellman from McKinney North High School; and Ashton Gelat and Juan Carillo from McKinney Boyd High School. They are here to tell us a little bit about what they experienced at camp RYLA and what they gained from the experience. Having heard a few of the stories as Bryan and I returned them back from camp only confirmed that we selected the right group of kids to attend. Unfortunately Juan will be unable to join us as he is visiting family in South America. We look forward to hearing some great stories.

Today's Thoughts in Honor of

Cheer up the Lonely Day - July 11

"Suddenly, quietly, you realize that - from this moment forth - you will no longer walk through this life alone. Like a new sun this awareness arises within you, freeing you from fear, opening your life. It is the beginning of love, and the end of all that came before."

- Robert Frost 1874-1963

Embrace Your Geekness Day - July 13

Men fear thought as they fear nothing else on earth -- more than ruin -- more even than death.... Thought is subversive and revolutionary, destructive and terrible, thought is merciless to privilege, established institutions, and comfortable habit. Thought looks into the pit of hell and is not afraid. Thought is great and swift and free, the light of the world, and the chief glory of man.

- Bertrand Russell 1872-1970

A man and his wife walk into a dentist's office. The man says to the dentist, "Doc, I'm in one heck of a hurry. I have two buddies sitting out in my car waiting for us to go play golf. So forget about the anesthetic and just pull the tooth and be done with it. We have a 10:00 AM tee time at the best golf course in town and it's 9:30 already. I don't have time to wait for the anesthetic to work!"

The dentist thinks to himself: My goodness, this is surely a very brave man asking to have his tooth pulled without using anything to kill the pain.

So the dentist asks him, "Which tooth is it, sir?"

The man turns to his wife and says, "Open your mouth, Honey, and show him."

Board Meeting

Reminder to all new officers, there will be a board meeting on July 24th at 6:00 PM in the Market Street Culinary School. If the school is in use the meeting will be in the training room across from the offices upstairs.

Membership Growth Encouraged, Rewarded

"You can feel the excitement and energy in a growing Rotary club," says Michael McGovern, vice chair of the 2008-09 RI Membership Development and Retention Committee.

To help energize clubs worldwide, RI President Dong Kurn Lee is traveling the globe to generate ideas for membership growth. His first of 12 presidential conferences, which will include small-group discussions to identify best practices for member recruitment and retention, took place 7 July in Tokyo.

Conferences in Argentina, Brazil, Egypt, and South Africa will also address child mortality, a top concern that lies at the heart of this year's RI theme, *Make Dreams Real*.

To encourage clubs and districts to take action to increase membership, Lee has developed a new membership recognition program. During 2008-09, clubs that achieve a 10 percent net increase in membership will receive a certificate signed by the president. At the district level, gaining two new clubs and a 10 percent net membership increase must be reached. District recognition awards vary depending on the percentage of clubs achieving the membership increase. See details of the membership recognition program.

The 10 clubs and districts with the highest percentage net membership increase will be recognized on stage at the 2009 RI Convention in Birmingham, England. To ensure recognition, clubs should update membership information via Member Access by 15 May. RI membership database numbers will be used to determine achievement.

"The goals can be achieved by any club or district that makes membership development a priority," McGovern says.

Last Weeks Program – Ashton Gelat

Ashton, who is one of this year's RYLA attendees that our club sponsored, spoke to our club last week about her experience at RYLA. She spoke of the many inspiring speakers who talked to them during their time at camp. She also talked of the many leadership exercises that they did and some of the things she learned from accomplishing them. She spoke of the importance of teamwork to leadership and how she and many others learned the value of following to become a great leader. She mostly talked of the lifelong friendships she made with her cabin mates and memories she will carry with her throughout her life. She also spoke of her interest in starting an Interact club at Boyd High School.

New District 5810 Website

The new district website is up and running. The web address is <http://www.clubrunner.ca/5810> and everyone should have received an email about how to login to update his or her member profile. You should have also received an email with a member information submission for so that our own club database can be updated and completed. Please take a look at the new site, as there is much information about happenings within our district and submit your member information as soon as possible. When you get there you will see a link on the left for "Speaker's List" that will download a list of available speakers you may call to schedule for our club.
