Today's Thoughts in Honor of

Parents Day - July 20

Give me the life of the boy whose mother is nurse, seamstress, washerwoman, cook, teacher, angel, and saint, all in one, and whose father is guide, exemplar, and friend. No servants to come between. These are the boys who are born to the best fortune.

- Andrew Carnegie 1835-1919

Hammock Day - July 22

Never lose sight of this important truth, that no one can be truly great until he has gained a knowledge of himself, a knowledge which can only be acquired by occasional retirement.

- Johann Georg von Zimmermann 1728-1795

Jim and Edna were both patients in a mental hospital. One day while they were walking past the hospital swimming pool, Jim suddenly jumped into the deep end. He sank to the bottom of the pool and stayed there.

Edna promptly jumped in to save him. She swam to the bottom and pulled Jim out.

When the Head Nurse Director became aware of Edna's heroic act, she immediately ordered her to be discharged from the hospital, as she now considered her to be mentally stable.

When she went to tell Edna the news she said, "Edna, I have good news and bad news. The good news is you're being discharged; since you were able to rationally respond to a crisis by jumping in and saving the life of another patient, I have concluded that your act displays sound mindedness.

The bad news is, Jim, the patient you saved, hung himself in the bathroom with his bathrobe belt right after you saved him. I am so sorry, but he's dead."

Edna replied, "He didn't hang himself, I put him there to dry. How soon can I go home?"

Make A Wish

Matt Hilton and his Keller Williams office have adopted a Make A Wish kid from Plano and are raising money in order to fund his "wish" to go to Hawaii. The fundraiser is July 26th, if you wish to help with their fundraising efforts, please get with Matt before this weekend.

District Membership Seminar

A spectacular Membership Seminar was held on Saturday July 19th 2008, at the Plano Chamber of Commerce from 8:00 AM until 12:30 PM. **It was a sellout;** every seat was taken, and Happy Franklin worked at warp speed to get every Rotarian registered. It was a full house and over 70 Rotarians were present to hear inspiring messages from Regional Rotary International Coordinator and PDG Pete Snider; District Governor LB Showalter, District Membership Chairman John Johnstone, District Governor Elect Dave McSpaden and Frisco President Marvin Jolly and Frisco Membership Chairman Ken Pardue. Judge Nathan White represented our club at the seminar.

G8 Renews Commitments to Polio Eradication

At their 8-9 July summit meeting in Japan, the G8 nations agreed to "maintain momentum towards the historical achievement of eradicating polio."

To do so, their joint statement continued, "We will meet our previous commitments to maintain or increase financial contributions to support the Global Polio Eradication Initiative [GPEI], and encourage other public and private donors to do the same."

Together, the G8 countries -- Canada, France, Germany, Italy, Japan, Russia, the United Kingdom, and the United States -- account for more than half of all funding of the GPEI. The initiative is led by the [World Health Organization](http://www.who.int), Rotary International, the [U.S. Centers for Disease Control and Prevention](http://www.cdc.gov), and [UNICEF](http://www.unicef.org).

The G8 first placed polio eradication on its summit agenda in 2002. It has renewed its commitment to eradication at every summit since then, but not all member countries have completed their financial contributions.

In addition to raising funds, G8 countries work as a group to advocate broad support for ending polio. Advocacy by G8 leaders for the four remaining polio-endemic countries -- Afghanistan, India, Nigeria, and Pakistan -- is critical to ensure eradication of the disease.

The Bill & Melinda Gates Foundation welcomed the G8's renewed commitment to finishing polio. Following release of the G8's 2008 summit communiqué, the Gates Foundation stated, "In recognition of the G8's continued attention to polio eradication, the foundation will commit at least US\$150 million to fight polio this year. This is in addition to the \$250 million we have committed to date toward polio eradication efforts."

Finishing polio worldwide remains Rotary's top goal. Vital to helping achieve that goal is Rotary's US\$100 Million Challenge, the three-year funding effort to match the Gates Foundation's \$100 million grant to The Rotary Foundation for polio eradication.
