The Four Way Test
of the things we think say or do....

1. Is It the Truth
2. Is It Fair to All Concerned
3. Will it Build Goodwill and better Friendships
4. Will it be Beneficial to all Concerned

Rotary Club of McKinney Sunrise, District 5810
Club Number 28762, Chartered May 22, 1992
P.O. Box 2244, McKinney, Texas, 75070

Bill Dendy – District Governor - Rotary District 5810

Born in Fort Worth, where he was raised and attended Texas Christian University, Bill is proud to be a native Texan. After meeting his wife, Katrin (Kathy) Schatz in 1999, Bill made his home in DeSoto, where he has been an active member of the community and currently serves on the Board of Directors of the DeSoto Economic Development Corporation. Bill's daughter and grandson also live in Fort Worth.

Bill joined the DeSoto Rotary Club in 2002 and immediately became involved. He served the DeSoto Rotary Club in multiple capacities, including two terms as President in 2005-2006 and 2010-2011. After his first year as Club President, Bill took his passion for Rotary to the District level, serving three terms as Assistant Governor in 2006-2007, 2007-2008 and 2008-2009, and becoming a Facilitator and Out-of-

District Team Leader for the Rotary International Leadership Institute (RILI) of District 5810. An avid aviator, Bill is also a member of the International Fellowship of Flying Rotarians. For the past five years, Bill has been a volunteer pilot for Challenge Air for Kids and Friends, a nationwide non-profit which helps youth with special needs build self-esteem and confidence through the experience of flight.

Bill is a construction consultant and certified project management professional with over three decades of commercial and heavy construction experience. In addition, he owns and operates a DeSoto-based infrared thermography company. Kathy, a native German, is an attorney in the Dallas office of Jackson Lewis LLP, a national labor and employment law firm, and also holds advanced degrees in cultural anthropology. Kathy is also a member of the Park Cities Rotary Club. Bill has enjoyed the privilege of visiting and networking with several Rotary clubs in Germany as an adjunct to visits with Kathy's family.

In 2011, Bill and Kathy celebrated their tenth anniversary by traveling to Nicaragua. They chose Nicaragua in part because of Kathy's love for anthropology, but mostly because of Bill's previous experience building a mission church there during the revolution in 1978. The trip included several days on an organic coffee farm in the mountains of northern Nicaragua, where communities are miles away from the closest source of electricity and sanitary drinking water. Bill and Kathy spent their anniversary evening visiting the Granada Club Rotario and immediately launched efforts to help raise funds for sanitary kitchen facilities in two Granada elementary schools. They look forward to developing other service projects in the region in the future.

Polio Vaccinators Make Significant Headway in Nigeria

Nigeria is closer than ever to eradicating polio, riding a successful effort to reach children in seven northern states at highest risk for the disease.

"Rotarians have [gone] into remote areas of the country by car, canoe, motorbike, and even on foot to ensure every child gets the vaccine," says Rotary's Nigeria PolioPlus Committee Chair Tunji Funsho. In Katsina state, members of the Nigeria PolioPlus Committee (NPPC) recently met with leaders of two communities notoriously opposed to immunization, mainly on religious grounds and in protest of the lack of basic health care. They persuaded the leaders to endorse vaccination by obtaining government assurance that mobile health camps would provide free checkups, medications, immunization against diseases besides polio, and other services.

"It was very encouraging to see the positive impact of engaging these leaders . . . witnessed by the huge turnout of crowds at the health camps and women willingly presenting their children for vaccination in households, quranic schools, and other locations," reports the NPPC. "[The camps] are one of the proven 'quick wins' to untie the knots of persistent noncompliance in some settlements across the high-risk states."

Along with Pakistan and Afghanistan, Nigeria has never stopped transmission of the wild poliovirus. However, it has recorded only three polio cases so far this year (as of 3 June), down from 24 cases for the same period in 2013. The NPPC began providing funding for the health camps in May. And in response to community demands for clean water, some Rotary clubs are sponsoring projects to install boreholes.

In high-risk states like Katsina, "the mere participation of community leaders, allowing their own children to be vaccinated or pronouncing the acceptance of OPV [oral polio vaccine] is enough to encourage community members to allow the vaccination teams into their homes," says Funsho.

Rotary field coordinators are helping close immunization gaps in northern Nigeria by gaining public support from government and community leaders through providing technical support, and monitoring the quality of vaccination teams.

"In the security challenged areas, measures such as 'fire walling,' which ensures that children going in and out of Borno and Yobe states are immunized, have been put in place," says Funsho. Teams of health workers and security agency personnel also use "hit and run" tactics to immunize children and withdraw in two days' time or less, he adds.

The NPPC promotes public awareness of the need to eradicate polio through community billboards and posters, along with distributing T-shirts, caps, and aprons to health workers. And it has engaged national celebrities like musician and actor Sani Musa Danja to encourage vaccine acceptance in communities where pockets of opposition still exist.

In April, Rotary joined the Federal Ministry of Health in sponsoring the Nigeria Polio Summit. Governors of high-risk states, religious and traditional leaders, national and global health officials, Rotary members, and others focused on best practices in the country's drive to become polio free.

Funsho and others are optimistic that Nigeria can stop polio transmission by the end of 2014, one of the goals of the polio endgame strategic plan. Rotary is a leading partner in the Global Polio Eradication Initiative.

"The greatest challenge . . . will be the preparations for the 2015 elections," said Dr. Oyewale Tomori, chair of Nigeria's Expert Review Committee on Polio Eradication, in a recent GPEI interview. "Every election year since 2003 has been characterized by abandonment of good governance, and subsequently accompanied by a surge in polio cases."

To help Nigeria seize the opportunity to end polio this year, Rotary released \$7 million to the GPEI to fund immunization activities and research in the country. And business leader and philanthropist Sir Emeka Ofor has contributed \$2.25 million to PolioPlus.

"The Nigerian government, now supported by the international community, is doing all that it can to eliminate the widespread violence, abductions, and terrorism," says Sir Emeka, a member of the Rotary Club of Awka GRA and Rotary's polio ambassador in Nigeria. "Peace would facilitate polio eradication, but we cannot sit by and wait until that time comes. We must do what we can to find ways to end polio now."

Heads Up! Programs and Events

July 30-----District Governor Bill Dendy

Sponsored by Steve Mitas

July 30-----Board Meeting – Immediately following regular meeting

August 6-----TBD

August 13-----TBD

August 20-----TBD

Today's Thoughts in Honor of

Father in Law Day – July 30

Dear Father in Law: Don't tell me how to raise my kids, I live with one of yours and he could use some work.

- Anonymous

Sisters Day – August 3

Big sisters are the crab grass in the lawn of life.

- Charles Schulz (1922 – 2000)

A man calls home to his wife and says, "Honey, I have been asked to fly to Canada with my boss and several of his friends for fishing.

We'll be gone for a long weekend. This is a good opportunity for me to get that promotion I've been wanting so could you please pack enough clothes for a 3-day weekend. And also would you get out my rod and tackle box from the attic? We're leaving at 4:30 pm from the office and I will swing by the house to pick my things up. Oh! And please pack my new navy blue silk pajamas."

The wife thinks this sounds a bit odd, but, being the good wife she does exactly what her husband asked.

Following the long weekend he came home a little tired, but, otherwise, looking good. The wife welcomes him home and asks if he caught many fish?

He says, 'Yes! Lots of Walleyes, some Bass, and a few Pike. But why didn't you pack my new blue silk pajamas like I asked you to do?'

You'll love the answer.

The wife replies, "I did, they're in your tackle box".

Never, Never, Never try to outsmart a woman!!!
