## **Community Service and New Generations Service Project**

Directors Kris and Sandi need your help. At a recent planning meeting for forming the first Rotaract club at Collin College Central Campus, it was suggested that a good way to get young people involved in forming a new Rotaract club would be to catch them in the act of service.

Daniel Long, D5810 Rotaract and Blood Drive Chair, has suggested holding a blood drive at the campus to do just that. So, we need a blood drive “vamparian,” a member who will serve as our club’s blood drive chair in Kris’ Community Service avenue. Who will step up? The “vamparian” will work with Daniel and Carter Blood Care to prepare for a September blood drive at Collin College. We want to encourage students to give blood and also pick up information on Rotaract. Rotarians from McKinney Sunrise and McKinney clubs will work hourly shifts to make all this happen, but we need a coordinator. Let Kris know that you would like to help. Sandi will be preparing the Rotaract brochures and application forms. This will work! It’s a cooperative effort of two Rotary clubs. Got cape?

## Resourceful fundraisers fuel Rotary's US\$200 Million Challenge

Rotarians have raised US\$185 million for Rotary's US\$200 Million Challenge to help underwrite the cost of ending polio around the world. Although the challenge runs through 30 June, it is vital that fundraising efforts continue until the disease is finished.

Many clubs are enlisting the support of their communities. Rotarians in Australia and New Zealand, in cooperation with 20th Century Fox, held a benefit screening of the movie *Conviction* at 36 theaters in February, netting \$54,000 for Rotary's challenge. A fashion show sponsored by the Rotary Club of Fremont Warm Springs Sunrise, California, USA, garnered more than \$52,000 in March. And in a weeklong project organized by the Rotary Club of Pondicherry-Cosmos, Pondicherry, India, 3,000 students at Petit Seminaire Higher Secondary School raised \$25,000.

### Walking in Tanzania to end polio

More than 320 Rotarians and friends of Rotary walked through Moshi, Kilimanjaro, Tanzania, in June, raising about \$38,000 and boosting awareness of the disease. A marching band, polio survivors, and Rotarians wearing red End Polio Now T-shirts led the walk, organized by the Rotary Club of Moshi and several others.

Reginald Mengi, founder and executive chair of IPP Group, one of the largest conglomerates in East Africa, called on businesses to help eradicate polio. Leading by example, Mengi contributed \$32,000 to the event.

"This is called corporate social responsibility," he said. "You must give back to the community."

Both Mengi and Stephen Mwanje, 2010-11 governor of District 9200, encouraged parents to have their children immunized against polio.

"We must be aware and take all measures, since the disease can spread here within a short period of time," Mwanje said.

### Rotarians ride in Pennsylvania

District 7370 (Pennsylvania, USA) sponsored a four-day, 330-mile bicycle tour of all 34 of its communities. Rotarians and friends donated at least \$25 each to ride in the June event, called Rotary Pedals Out Polio.

"Most people made donations online, as 'virtual' riders," said Past District Governor Jeff Coup, who came up with the idea for the tour and has served as the district's PolioPlus subcommittee chair since the program began in 1985. "We also had radio and a lot of newspaper coverage all through the district. Some clubs arranged for police escorts for us as we entered or left town. One arranged a PolioPlus billboard on our route."

The fundraiser netted more than \$21,000 for Rotary's challenge. Key to its success, said Coup, was "a great district committee that did the publicity, did a website with all the information, processed all the donations," and handled other tasks. "The event really reawakened awareness of the polio eradication cause in our district among Rotarians and the general public."

### Plan for World Polio Day

It's not too early to plan for World Polio Day, 24 October, an excellent opportunity for your club and district to support the global effort to eradicate the disease.

## **Today's Thoughts in Honor of ....**

### **Son & Daughter Day – August 11**

"You are worried about seeing him spend his early years in doing nothing. What! Is it nothing to be happy? Nothing to skip, play, and run around all day long? Never in his life will he be so busy again."

- Jean-Jacques Rousseau (1712 – 1778)

### **National Tell a Joke Day – August 16**

"So many tangles in life are ultimately hopeless that we have no appropriate sword other than laughter."

- Gordon William Allport (1897 – 1967)

---

I was visiting customers in their home one afternoon. While I was talking to them, their four-year-old little girl, whose name was Michelle, tugged on my pants leg and excitedly exclaimed, "I got a new bicycle. Do you want to see it?"

I said, "Sure, Michelle." So off to the backyard we went. Upon getting there, I saw a brand-new girl's bicycle. "Wow, Michelle! That's a beautiful bicycle," I complimented. "Can you ride it?"

"Yeah, I can ride it," she said, and then with a sad face she pouted, "but it's broke."

I looked at the new bicycle and couldn't see anything wrong with it, so I asked her, "What's wrong with it?"

"I don't know," she shrugged, "but every time I ride it, it falls down!"
