Today's Program – Cathy Frizzell Community Food Pantry

Cathy is the Assistant Director of Daily Operations and the Treasurer and Vice President of the Board of Directors for the Community Food Pantry. She has 16 years of Volunteer service and when she is not volunteering she works as a professional tax preparer in Richardson Texas. She is Married to Calvin, has 2 children, 2 step-children, and 5 ½ grandchildren.

Flag Time Again – Labor Day

Our Labor Day flag distribution is just around the corner and our club needs volunteers for pick up and return of the flags by our scout troops.

- Flags will be picked up on August 29th between 5 & 7pm at our storage shed.
- Flags will be returned on September 11th between 5 & 8pm at our storage shed.

The more help we have the faster it goes and easier it is so please everyone who can, sign up to help load flags into the back of the scouts trucks and then unload a couple of weeks later.

New Rotary Club – Rotary Club of Preston Trail, Celina Texas

There is a new Rotary club in our area. The chartering banquet for the Rotary Club of Preston Trail, Celina, Texas, was held on August 9 in Celina. This club began meeting as a service organization with a flag-lease project in Celina. Our former club member, Fred Bahrenburg, was the leader in getting this group started. When they

built to more than 25 men and women in their informal gathering, they applied to then Governor Richard Gilman for a Rotary charter. Their application was approved by Rotary International in Evanston, Illinois; and on August 9, they celebrated their chartering banquet. Sandi and Lyle, along with PDG Richard Gilman and Rozelle, Gov. L.B. Showalter and Donna, attended the festivities, western style. The banquet was held in Celina at Eden Hill Vineyard and Winery, owned by a member, a mile or so east of Preston Road. President of this new Rotary club is Bobby Apple, shown in the photo as the tallest man with the cowboy hat on the back row. A

great country-western singer and guitar player who is a charter member of the club furnished entertainment. The club meets each Wednesday morning at 7:00 AM at the Texas Star Bank Community Room on Preston Road in Celina. That makes it a little difficult to do makeups, but if you get a chance, do it some Wednesday morning and bring them another welcome from the Rotary Club of McKinney Sunrise.

Today's Thoughts in Honor of

Senior Citizens Day- August 21

We do not grow absolutely, chronologically. We grow sometimes in one dimension, and not in another; unevenly. We grow partially. We are relative. We are mature in one realm, childish in another. The past, present, and future mingle and pull us backward, forward, or fix us in the present. We are made up of layers, cells, constellations.

- Anias Nin 1903 - 1977

National Dog Day- August 26

We are alone, absolutely alone on this chance planet: and, amid all the forms of life that surround us, not one, excepting the dog, has made an alliance with us.

- Maurice Maeterlinck 1862 - 1949

A woman awoke during the night to find that her husband was not in bed. She went downstairs looking for him. He was sitting at the kitchen table with a cup of coffee in front of him. He appeared to be in deep thought, just staring at the wall. She saw tears rolling from his eyes as he sipped his coffee.

"What's the matter with you, my dear? Why are you down here at this time of the night?" she asked.

"Do you remember twenty years ago when we were dating and you were only 16?" he asked.

"Yes, I do," she replied.

"Do you remember when your father caught us while dating?"

"Yes, I do remember," she replied.

"Do you remember when he shoved that shotgun in my face and said, "Either you marry my daughter or spend twenty years in jail?"

"Yes, I do," she said, getting a little teary- eyed herself at his fond recollection.

He wiped another tear from his cheek and said, "You know... I would have been released today."

Rotary and Easter Seals renew connections

Easter Seals and Rotary share more than a devotion to improving the lives of the disabled and disadvantaged.

The heritages of the two organizations are intertwined: Easter Seals' founder, Edgar F. "Daddy" Allen, was a Rotarian. Rotary founder Paul P. Harris was the charity's first chairman, and one of The Rotary Foundation's first grants, in 1930, went to the International Society for Crippled Children, Easter Seals' precursor.

Now, District 6450 (Illinois, USA), which covers part of the Chicago area, is reuniting with an old friend by pledging US\$2.5 million over three to five years toward programs

and materials for Easter Seals Metropolitan Chicago's [Therapeutic School and Center for Autism Research](#).

Part of the center's first phase, a research wing scheduled to be completed later this year, will be named in Rotary's honor. The \$32-million facility will be built in four phases over the next four to six years.

"I approached Rotary because we had lost connection," says F. Timothy Muri, president and CEO of Easter Seals Metropolitan Chicago. "I said, 'Rotary's into big things. You are trying to eradicate polio, and we are trying to eradicate autism. Why don't we unite again to change the world?'"

White Sox night

On 7 August, the district sponsored a night at U.S. Cellular Field, home of the Chicago White Sox, where a portion of tickets bought by Rotarians went to Easter Seals. Irv Kaplan, past district governor, said 836 tickets were sold, netting \$10,000 for Easter Seals. Rotarians and their guests were paraded around the warning track prior to the game, and a Rotary public service announcement appeared on the big screen.

Rotary's ongoing support for Easter Seals has often come from individual clubs, but with the growing number of reported cases of autism-spectrum disorder – 1 in 150 eight-year-olds has it, according to the U.S. Centers for Disease Control and Prevention – the need for care is greater than ever.

"It just came to me that we could do something with this," says Past District Governor Art Davis. "With the history Rotary has, it would be fabulous to have a Rotary wheel on the wing of a hospital."

The center, which will tap expertise from the nearby [University of Illinois at Chicago Medical Center](#) and [Rush University Medical Center](#), will offer a research facility, classrooms, gymnasium, swimming pool, and independent living space for 30 people, with room to grow.

"For the first time, we will have the facility where we'll be able to observe patients yearround," says Muri. "There's none other like it in the country."
