Today's Thoughts in Honor of

National Dog Day – Aug 26

We are alone, absolutely alone on this chance planet: and, amid all the forms of life that surround us, not one, excepting the dog, has made an alliance with us.

- **Maurice Maeterlinck (1862 – 1949)**

Global Forgiveness Day – August 27

"We must develop and maintain the capacity to forgive. He who is devoid of the power to forgive is devoid of the power to love. There is some good in the worst of us and some evil in the best of us."

- **Martin Luther King Jr. (1929 – 1968)**

The elderly priest, speaking to the younger priest, said, "It was a good idea to replace the first four pews with plush bucket theater seats. It worked like a charm. The front of the church always fills first now." The young priest nodded, and the old priest continued, "And you told me adding a little more beat to the music would bring young people back to church, so I supported you when you brought in that rock 'n' roll gospel choir. Now our services are consistently packed to the balcony."

"Thank you, Father," answered the young priest. "I am pleased that you are open to the new ideas of youth."

"All of these ideas have been well and good," said the elderly priest, "but I'm afraid you've gone too far with the drive-thru confessional."

"But, Father," protested the young priest, "my confessions and the donations have nearly doubled since I began that!"

"Yes," replied the elderly priest, "and I appreciate that. But the flashing neon sign, 'Toot 'n Tell or Go to Hell,' cannot stay on the church roof."

Membership increases during 2008-09 Rotary year

In a year of economic havoc that rocked global markets and shook consumer confidence, Rotary International's most important asset – its members – steadily grew.

As of 30 June, the end of the 2008-09 RI year, there were 1,234,527 members in 33,790 Rotary clubs. That's an increase of 3,044 members and 520 clubs from the previous year.

"Businesses in tough economies plan how to grow, and most businesses then do grow. Rotary clubs also have to plan for their futures and take action on those plans," said Mike McGovern, chair of RI's Membership Development and Retention Committee.

"New clubs are forming in communities with existing clubs by offering alternative times and the opportunity to bring fresh perspectives to Rotary," McGovern added.

More than 5,700 clubs in the 534 RI districts achieved a membership growth rate of 10 percent or better during the 2008-09 year. The 10 percent goal was set by 2008-09 RI President Dong Kurn Lee, who presided over 12 presidential membership conferences held on six continents

during the year. Each conference was attended by between 300 and 1,500 Rotarians. Lee also made personal calls to each of Rotary's district governors.

"We must reach out to people who are different from us and from the members in our club, because this is the way to a stronger club with more connections and better potential," Lee said at the 2009 International Assembly in San Diego, California, USA.

Rotary clubs must continue to build membership during the 2009-10 year, said RI President John Kenny.

"I will simply rely on you, as responsible people, to see to it that we have more qualified members, true Rotarians, at the end of the year than we had at the beginning. And I will rely on you to do your best to see to the mentoring of our newest members, for retention is no less important than recruitment," Kenny told Rotarians at the RI Convention in Birmingham, England.

"Rotary grows when members are motivated to invite Rotarians into their clubs and when Rotarians believe they are contributing to a greater good," McGovern said.

Districts with outstanding growth

Rotary International recognized several districts for achieving outstanding membership growth in 2008-09.

Three RI districts have been cited for chartering two or more new clubs, while also achieving a 10 percent or better net membership increase in at least half of the district's clubs:

- District 3790, Philippines
- District 3830, Philippines
- District 3870, Philippines

Ten districts have been recognized for chartering two or more new clubs while also achieving a net membership growth percentage rate that is among the top 10 districts worldwide:

- District 1290, England
- District 3100, India
- District 3150, India
- District 3620, Korea
- District 3810, Philippines
- District 4190, Mexico
- District 4680, Brazil
- District 5000, USA
- District 7020, Anguilla, Bahamas, British Virgin Islands, Cayman Islands, French West Indies, Haiti, Jamaica, and part of Netherland Antilles, Turks and Caicos Islands, and U.S. Virgin Islands
- District 9140, Nigeria

At the RI Convention in Birmingham, England, 2008-09 RI President Dong Kurn Lee (middle) honored Rotary districts that achieved outstanding membership results.
