Collin County Parks & Open Space

The Four Way Test
of the things we think say or do....

1. Is It the Truth
2. Is It Fair to All Concerned
3. Will it Build Goodwill and better Friendships
4. Will it be Beneficial to all Concerned

Rotary Club of McKinney Sunrise, District 5810
Club Number 28762, Chartered May 22, 1992

Jeff Durham Parks and Open Space

The mission of the Park & Open Space Program is to implement program elements of the Open Space Strategic Plan in order to promote a high quality of life for current County residents and future generations through the addition of new parks and open space resources.

The mission of the Park & Open Space Program will be fulfilled through attention to the following ongoing objectives:

- Propose the means for acquisition and management of the open space system through interaction and cooperation of municipalities, public agencies, private organizations, and individuals.
- Identify natural resources of the county for protection in order to maintain a balance between developed and open landscape, and to preserve rare or unique ecosystems.
- Provide recommendations to maintain and operate County owned (Sister Grove Park and Parkhill Prairie) facilities, including programmed activities, as to protect and enhance the existing natural resources, encourage wise use of the facilities, and educate visitors about the program and the significance of County resources.

The next time you dig that hole to install a flag tube or you work at the flag shed in the heat, think what you are doing to Change Lives. One of the partnerships that our club has had through the years and continues today is with the Wheelchair Foundation. We are fortunate to have funds through our flag lease program to give the Foundation \$75 for one fiberglass and aluminum wheelchair. We give enough to represent each member of our club with a wheelchair. The Foundation will match our funds to supply \$150 wheelchairs to another Rotary club somewhere in the world with an identified need. This service is for people of all ages who have lack of mobility due to birth defects

or polio. Here you see a container load of wheelchairs delivered to Mexico by our Rotary District 5810 where our funds were sent. You see Sandi putting a 5-year-old boy into his first mobility of his lifetime. His whole life to this point was crawling on his knees or being carried by his mother. This story is repeated every time we give to the Wheelchair Foundation to change a life.

Gates Foundation joins with Rotary to boost polio endgame support

An announcement at the Rotary International Convention in Lisbon, Portugal, set the stage for a bold new chapter in the partnership between Rotary and the Bill & Melinda Gates Foundation in the campaign for polio eradication.

“Going forward, the Gates Foundation will match two-to-one, up to US\$35 million per year, every dollar Rotary commits to reduce the funding shortfall for polio eradication through 2018,” said Jeff Raikes, the foundation’s chief executive officer, in a prerecorded video address shown during the convention’s plenary session on 25 June. “If fully realized, the value of this new partnership with Rotary is more than \$500 million. In this way, your contributions to polio will work twice as hard.”

The joint effort, called End Polio Now – Make History Today, comes during a critical phase for the Global Polio Eradication Initiative . The estimated cost of the initiative’s 2013-18 Polio Eradication and Endgame Strategic Plan is \$5.5 billion. Funding commitments , announced at the Global Vaccine Summit in April, total \$4 billion. Unless the \$1.5 billion funding gap is met, immunization levels in polio-affected countries will decrease. And if polio is allowed to rebound, within a decade, more than 200,000 children worldwide could be paralyzed every year.

Rotary and the Gates Foundation are determined not to let polio make a comeback.

“We will combine the strength of Rotary’s network with our resources, and together with the other partners in the Global Polio Eradication Initiative (GPEI), we will not just end a disease but change the face of public health forever,” said Raikes.

In 2007, the Gates Foundation gave The Rotary Foundation a \$100 million challenge grant for polio eradication, and in 2009, increased it to \$355 million. Rotary agreed to raise \$200 million in matching funds by 30 June 2012, but Rotarians in fact raised \$228.7 million toward the challenge.

“Now is the time for us all to take action: Talk to your government leaders, share your polio story with your social networks, and encourage others to join you in supporting this historic effort,” Raikes added. “When Rotarians combine the passion for service along with the power of a global network, you are unstoppable, and the Gates Foundation is proud to partner with you. Let’s make history and End Polio Now.”

Endgame strategy

Bruce Aylward, assistant director-general for Polio, Emergencies and Country Collaboration at the World Health Organization -- a GPEI partner -- said that the finish line for polio

Actress Archie Panjabi explains why she agreed to be a Rotary polio eradication ambassador. Monika Lozinska/Rotary International

eradication is in sight, but cautioned that “it is one thing to see the finish line; it is another to cross it.”

Sharing details of the latest polio eradication strategic plan, he said the plan is historic in finally setting out the endgame, the final steps needed to wipe out polio.

“We now have the plan to complete the program of PolioPlus,” Aylward said. “And we have the backing of you, Rotarians around the world, to get the job done.”

Actress Archie Panjabi, a Rotary polio eradication ambassador, recounted how, as a 10-year-old living in India, she had seen children crawling along the streets, propelled only by their hands. The image troubled her for years. When she was asked to join Rotary’s This Close campaign in 2011, she said she realized that the children she’d seen were polio victims, and that by working to eliminate polio, she could help prevent others from suffering in that way.

“I came to realize that we still have work to do, and how important it is for people like me -- people like you -- to use our voices to raise awareness of, and support for, the global effort to eradicate polio,” Panjabi said. “As a Rotary polio ambassador, I will continue to do whatever I can to spread the word.”

September 4-----District Governors Visit

September 11-----Carsons Crusaders

Sponsored by Chuck Koehler

September 12-----Flag Retrieval at the Flag Shed – 5:00 PM

Today's Thoughts in Honor of

Toasted Marshmallow Day – August 30

A lot of parents pack up their troubles and send them off to summer camp.

- Raymond Duncan (1874 – 1966)

Labor Day– September 2

Far and away the best prize that life offers is the chance to work hard at work worth doing.

- Theodore Roosevelt (1858 – 1919)

As a new school principal, Mr. Mitchell was checking over his school on the first day. Passing the stockroom, he was startled to see the door wide open and teachers bustling in and out, carrying off books and supplies in preparation for the arrival of students the next day.

The school where he had been a principal the previous year had used a checkout system only slightly less elaborate than that at Fort Knox.

Cautiously, he asked the school's long-time custodian, "Do you think it's wise to keep the stockroom unlocked and to let the teachers take things without requisitions?"

The custodian looked at him gravely. "We trust them with the children, don't we?" he said.
