Club Runner

An official Rotary International Licensee, ClubRunner serves thousands of Rotary clubs and districts just like yours across the globe with one goal in mind – to make technology work for anyone, anywhere while enabling Rotarians to streamline club processes and improve productivity.

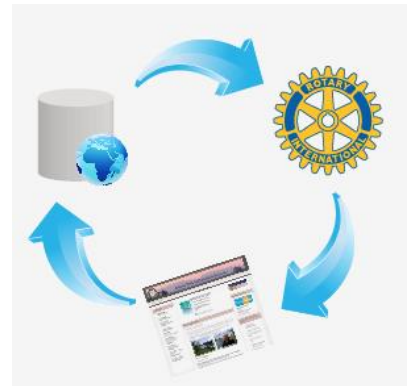

More than just a website solution, ClubRunner offers a robust membership management and communication system for clubs and districts in multiple languages. It manages your club or district with features such as attendance reporting, event and volunteer management, directory builder, email broadcast services, and social media integration.

In use by 9 of the first 10 Rotary clubs, ClubRunner is designed for and used by clubs of all sizes. In addition to database management, ClubRunner improves membership retention and growth, public relations and image, and the efficiency of a club's operations. With a dedicated support team, we ensure your club's success through training, support and best practices.

Founded in 2003, ClubRunner began as a project by the District 7080 Website Chair, a long time Rotarian and Past President of the Mississauga City Centre Rotary Club in Ontario, Canada.

As a software provider for major banks and insurance companies, his company, Doxess Technologies (ClubRunner's parent company), was already using the latest technology to manage online databases, generate dynamic documents and perform time saving work flow functions within an organization. Working closely with his home District and club, he adapted this experience to the way Rotary clubs work.

Today, ClubRunner continues its investment into the Rotary community by constantly updating and adding new features to improve functionality. In fact, ClubRunner led the way with the RI integration project and was the first vendor to integrate its databases with Rotary International. With the largest user base of any software company within Rotary, ClubRunner shares a close relationship with Rotary International to better align its direction with the future vision of clubs and districts.

NIGERIA SEES NO WILD POLIO CASES FOR ONE YEAR

Today marks one year since Nigeria last reported a polio case caused by wild poliovirus, putting the country on the brink of eradicating the paralyzing disease.

The last case was reported on 24 July 2014 in the northern state of Kano. If no cases are reported in the coming weeks, the World Health Organization is expected to remove Nigeria from the list of countries where polio is endemic, leaving just two: Afghanistan and Pakistan.

Nigeria is the last polio-endemic country in Africa. The continent is poised to reach its own first full year without any illness from the virus on 11 August.

“Every Rotarian in the world should be proud of this achievement,” says Rotary International President K.R. Ravindran. “We made history. We have set Africa on course for a polio-free future. But we have not yet reached our goal of a polio-free world. Raising funds and awareness and advocating with your government are more crucial than ever.”

Progress in Nigeria has come from many measures, including strong domestic and international financing, the commitment of thousands of health workers, and new strategies that reached children who had not been immunized earlier because of a lack of security in the northern states.

“Rotary’s commitment has been the number one reason for the recent success in Nigeria,” says Dr. Tunji Funsho, chair of Rotary’s Nigeria PolioPlus Committee. “We have infected political leaders with this commitment. The government has demonstrated this with political support and financial and human resources. And that went down the line from the federal level, to the state, to the local governments.”

Nigeria has increased its domestic funding for polio eradication almost every year since 2012 and has allocated \$80 million for the effort this year.

Funsho also applauds religious leaders who championed the vaccination efforts to families in their communities.

Despite the historic gains in Nigeria, health experts are cautious about declaring victory. Funsho says the [Global Polio Eradication Initiative](#) partners must strengthen routine immunization especially in hard-to-reach areas, in addition to boosting sensitive surveillance to prevent resurgence of the disease. If no new cases are reported in the next two years, Nigeria, along with the entire Africa region, will be certified polio-free.

“The virus can be introduced from anywhere where it is still endemic, particularly now in Afghanistan and Pakistan, into areas that haven’t had polio in years,” Funsho says. “It is important we keep the immunity level in Nigeria to at least 90 percent.”

For instance, Syria experienced a sudden outbreak of the disease when 35 cases were reported in December 2013. None had been reported there since 1999. “Immunizations become imperative for history not to repeat itself in Nigeria,” says Funsho.

In June, Rotary announced \$19 million in grants for continued polio eradication activities in Africa, including almost \$10 million for Nigeria. Since 1985, when Rotary launched PolioPlus, the program that supports the organization’s polio eradication efforts, its worldwide monetary contributions to the cause have exceeded \$1.4 billion.

“We’ve come a long way and have never been so close to eradicating polio in Nigeria and around the world, but it’s not a time to fully celebrate,” says Funsho. “We have some grueling years ahead of us before WHO can certify Nigeria and Africa polio-free.”

Heads Up! Programs and Events

Sept 2-----Lyle Froese – Club Runner Presentation

Sept 3-----Have you “heard” what’s happening at the Heard Museum

Sept 9-----Matt Hamilton – Owner of Local Yocal Meat Market

Sept 10-----TBD

Sept 16-----Club Assembly – Larry Offerdahl & Juli Smith

Sept 17-----North Texas Day of Giving

Sept 23-----Jessie Hauptrief – Investment & Retirement Planning

Sept 24-----Club Assembly – Glenna Cromer – Youth Services

Today’s Thoughts in Honor of

Labor Day – September 7th

My grandfather once told me that there were two kinds of people: those who do the work and those who take the credit. He told me to try to be in the first group; there was much less competition.

- Indira Gandhi (1917 – 1984)

International Literacy Day – September 8th

“Live as if your were to die tomorrow. Learn as if you were to live forever.”

- Mahatma Gandhi (1869 – 1948)

When the moon hits your eye
Like a big pizza pie,
That's amore.

When an eel bites your hand
And that's not what you planned,
That's a moray.

When our habits are strange
And our customs deranged,
That's our mores.

When your horse munches straw
And the bales total four,
That's some more hay.

When Othello's poor wife
She gets stabbed with a knife,
That's a Moor, eh?
