Dave McSpadden

Dave McSpadden was born and raised in San Angelo, Texas. Dave's career in being of service started with the role model of his parents in the community and in church. With their encouragement, Dave earned Scouting awards of Eagle Scout, God and Country Award and Explorer Silver Award.

Upon graduation from high school, Dave did a tour in the U.S. Army in a construction engineering battalion. After the Army he attended San Angelo College (now Angelo State University) studying business.

Dave has been in the construction and development industry since 1970. He has been living in Waxahachie, Texas since 1984 when he started McSpadden Development Corporation where he still serves as President and C.E.O. Today his company operates as MCC Design-Build and is a designer, general contractor and renovator of hotels in Texas, Louisiana, and Oklahoma.

Dave and Marilyn met over the telephone and arranged a "blind date" with each other a year later. They were married on Labor Day, 1983, on top of a mountain in Vail, Colorado and began their life adventures together that continue to this day. Marilyn, who was born and raised in Fort Worth, Texas, began working in partnership with Dave in their construction and development business. Marilyn is also the Managing Director of their property management company. Marilyn's Dad was in Rotary most of her life and he served as District Governor of District 5790, 1980-81. Dave & Marilyn have two married sons, a married daughter and 4 grandchildren. Their sons live in San Francisco (Director of Marketing for eBay and father of 2 wonderful daughters), New York (an independent music producer, jazz trumpet musician and father of an amazing son) and their daughter lives in Waxahachie (where she serves the world as a superlative Mom of an awesome daughter). Obviously Dave and Marilyn are reveling in their grandparenthood.

When Dave and Marilyn moved to Waxahachie in 1984 he immediately joined the Rotary Club of Waxahachie. Since then he has served Rotary in the following manner: Club Board of Directors 1985-90 Club Community Service Director 1985-86 Club International Service Chairman 1986-87 Club President 1987-88 District Governor's Representative 1988-89, 1989-90, 1990-91 District 5810 Director of International Service 1991-92 Membership on various Club and District Committees Since 1985 Club Committee Chairman of New Member Orientation 1997 to Present District 5810 Chairman - New Member Orientation Committee 2003-04, 2004-05 Co-Founder and District 5810 Chairman of the Rotary International Leadership Institute – 2005-06 & 2006-07 Dave and Marilyn are both Paul Harris Fellows. Dave is also a Rotary Foundation Benefactor and a Charter Member of the Paul Harris Society. Dave is a contributor to PDG Milton Kessel's book on the History of Rotary District 5810, as the founder and Co-Chairman of the "Spirit of America Rally" in 1991 that brought Districts 5810 and 5790 together for a jointly sponsored event for the troops of Desert Storm at Texas Stadium. Dave is excited and grateful for the opportunity to serve the District and share his passion for Rotary with the Clubs and fellow Rotarians of District 5810 as District Governor 2009-2010.

Paralympic-related event puts the spotlight on polio eradication

Perseverance and dedication are qualities that both Paralympic athletes and Rotarians use to reach their goals.

To highlight this common bond, British Rotarians used the excitement surrounding the opening day of the 2012 Paralympic Games on 30 August to rally government dignitaries from the United Kingdom and Pakistan to raise funds for Paralympic athletes and Rotary's PolioPlus program.

"We wanted to celebrate the achievements of these amazing athletes and Rotary's hard work towards polio eradication," says Judith A. Diment, PolioPlus national advocacy adviser for the UK and a member of the Rotary Club of Windsor St. George, England. "Both groups have persevered through great odds to be where we're at today."

Rotary in Great Britain and Ireland (RIBI), in association with UNICEF, the Bill & Melinda Gates Foundation, the British Pakistan Foundation, and the Global Poverty Project, sponsored the garden party in London attended by more than 100 people, including five Paralympic athletes, three of whom are polio survivors.

The event raised thousands of dollars for PolioPlus and the Pakistani Paralympic Committee and advocated for a polio-free world. Wajid Shamsul Hasan, the High Commissioner of Pakistan to the United Kingdom, praised Rotary's efforts to eradicate polio in Pakistan and spoke about his government's commitment to step up resources to rid his country of the disease.

Diment said advocacy efforts have become more important than ever, as funding shortages have forced the Global Polio Eradication Initiative (GPEI) to cancel or scale back immunization activities in high-risk countries, leaving more children vulnerable to the disease.

The GPEI launched an emergency action plan earlier this year but is US\$1 billion short of what it needs in order to implement the plan through 2013. Rotarians can help, Diment says, by lobbying their governments to commit funding for polio eradication and by spreading the word about the immense benefits of finally eliminating this crippling disease.

"We must continue to reach out and put Rotary's effort in front of the opinion makers and governments so they act in helping us achieve our goal of polio eradication worldwide," says Diment.

Lisbon region offers much to see for convention attendees

Less than 20 miles west of Lisbon, Portugal, Rotarians attending the 2013 RI Convention, 23-26 June, can take in dramatic views of the Atlantic atop rocky cliffs, relax on soft sandy beaches, and channel their inner James Bond in a casino town formerly known as a playground for European royalty.

The seaside escapes of Estoril and Cascais are close enough for an easy day trip from Lisbon. Cascais offers beaches, shopping, and restaurants, along with a rock formation known as Boca do Inferno, or Hell's Mouth, that is worth the 20-minute walk from town. Estoril – a quiet but popular resort area less than 2 miles from Cascais and accessible from there by boardwalk – is home to Europe's largest casino.

Cabo da Roca, the westernmost point of continental Europe, is 10 miles down the coast from Cascais. The Cabo da Roca lighthouse, sitting high above the Atlantic, makes for a pretty picture at sunset. A stone monument dedicated by the Rotary Club of Sintra in honor of Rotary's 75th anniversary in 1980 is also perched cliffside.

The Algarve region, about 175 miles south of Lisbon, is a popular holiday destination among Europeans. Its towns offer breathtaking ocean vistas and pristine beaches, plus golfing and windsurfing. Like much of Portugal, the area has a strong maritime influence: In the 15th century, Prince Henry the Navigator chose the town of Lagos in the Algarve as his base for expeditions.

Today's Thoughts in Honor of

Cheese Pizza Day– September 5

Ideas are like pizza dough, made to be tossed around.

- Anna Quindlen (1953 –)

Read a Book Day – September 6

Books are the quietest and most constant of friends; they are the most accessible and wisest of counsellors, and the most patient of teachers.

- Charles W. Eliot (1834 – 1926)

A Priest, a Doctor, a rich Businessman, and a Scotsman were waiting one morning for a particularly slow group of golfers in front of them.

The Doctor shouted to them, "I've never seen such poor golf!"

The Scotsman chimed in, "Och aye! We ha' been waitin' for nigh on fifteen minutes!"

The Businessman called out, "Move it on you guys, time is money."

The Priest said, "Here comes George the green-keeper. Let's have a word with him."

"Hello, George!" said the Priest, "What's wrong with that annoying group ahead of us? They're rather slow, aren't they?"

George the green-keeper replied, "Oh, yes.. That's a group of blind fire fighters. They lost their sight saving our clubhouse from a fire last year, so we always let them play for free, anytime they want to."

The group fell into an embarrassed silence for a moment.

Then the Priest said, "That's so sad. I think I will say a special prayer for them tonight."

The Doctor said, "Good idea. I'm going to contact my ophthalmologist colleagues and see if there's anything they can do for them."

The Businessman replied, "I think I'll donate £50,000 to the Fire Brigade Benevolent Fund in honour of these brave souls."

And the Scotsman said, "Why kin they no play at night?"
