Ambassadorial Scholarships

Ambassadorial Scholarships, The Rotary Foundation's oldest and best-known program, was founded in 1947. Since then, more than 40,000 men and women from about 100 nations have studied abroad under its auspices. Today it is one of the world's largest privately funded international scholarships programs. Nearly 700 scholarships were awarded for study in 2009-10. Through grants totaling approximately US\$16.2 million, recipients from about 70 countries studied in more than 80 nations.

"The Rotary Foundation does some terrific things, not the least of which is the Ambassadorial Scholarships program."

*— Michael R. Whiteman, international programs director,
University of Idaho*

The purpose of the Ambassadorial Scholarships program is to further international understanding and friendly relations among people of different countries and geographical areas. The program sponsors academic year scholarships for undergraduate and graduate students as well as for qualified professionals pursuing vocational studies. While abroad, scholars serve as goodwill ambassadors to the host country and give presentations about their homelands to Rotary clubs and other groups. Upon returning home, scholars share with Rotarians and others the experiences that led to a greater understanding of their host country.

Generous contributions from Rotarians worldwide represent a continued faith that today's Ambassadorial Scholars will be tomorrow's community and world leaders.

New Generations gives Rotary a new avenue to serve

This September's New Generations Month takes on a different meaning than in the past.

The commitment to getting youth and young adults actively involved in Rotary was strengthened in April when representatives at the Council on Legislation approved New Generations as the fifth Avenue of Service. [Read more.](#)

RI President Ray Klinginsmith says the new Avenue of Service improves the value of youth programs and their impact on Rotary's future.

"The Council wanted to be sure New Generations programs were given adequate attention by clubs," says Klinginsmith. "Rotarians just want to be up front and recognize the importance of these programs. New Generations isn't just important to the future of Rotary but also our communities and the world."

New Generations Service acknowledges the positive change implemented by youth and young adults involved in leadership development activities, community and international service, and exchange programs that enrich and foster world peace and cultural understanding. Programs include [RYLA](#), [Rotaract](#), [Interact](#), and [Rotary Youth Exchange](#).

"We truly have the finest youth programs in the world," says Klinginsmith. "Their intrinsic value continues to escalate. We do a great job with these programs, we just need to give them more visibility."

This month is a chance to celebrate the new Avenue of Service, says Vicki Puliz, chair of New Generations Service for District 5190 (parts of California and Nevada, USA).

"News of the Council's decision was welcomed with excitement and enthusiasm by Rotarians in our district," says Puliz. "We are using this as a way to emphasize how Rotary International views New Generations and its importance. It's a springboard to communicate even more with our clubs about these programs."

Virtually every club in her district is involved with one or more of the four youth programs. A wide range of district programs fall under the New Generations umbrella, says Puliz.

"Focusing more on youth is crucial for Rotary to thrive and survive," she says. "It's one of the reasons why we have programs on literacy, leadership training, and ethics for young people."

She recommends that every club appoint a New Generations Service chair. "We've learned that our youth programs benefit from communication and coordination," says Puliz.

New Generations joins Club Service, Vocational Service, Community Service, and International Service as an Avenue of Service. Before starting a project, Rotarians are asked to think broadly about how their club and its members could contribute within each avenue.

Klinginsmith says the best clubs are the ones that are well balanced.

"Strong clubs are involved in all five of the Avenues of Service," he says. "The ones that don't have New Generations programs are missing a part of the great adventure of Rotary."

Today's Thoughts in Honor of

Grandparents Day – September 11

A child needs a grandparent, anybody's grandparent, to grow a little more securely into an unfamiliar world.

- Charles & Ann Morse

National Pet Memorial Day – September 11

If a dog jumps in your lap, it is because he is fond of you; but if a cat does the same thing, it is because your lap is warmer.

- Alfred North Whitehead (1861 – 1947)

With the weather sunny and warm, a driver was cruising down the interstate highway when a huge truck crashed into the side of his car, severing his arm at the shoulder. Two teenagers, observing the accident, volunteered to rush the severed arm to the local hospital for considered restructuring to the driver's shoulder.

Several hours later, with the driver at the hospital and no sign of the young teenagers or the man's arm, the police put out an APB for the teenage drivers saying, "This is the worse case of arm robbery in police history."
