A Message From the District Governor

Adoption Awareness Carnival

Sponsored by Rotary Clubs of District 5810 and CPS

Rotary & CPS are working together in an effort to create families. Together we are hosting a “carnival” atmosphere with games, food, activities, prizes and lots of fun! We will have around 80 children, ages 7-17, that are ready to be adopted and around 50-75 sets of prequalified parents (who have completed all steps to be eligible to adopt). We will bring them all together in an atmosphere that is fun and inviting. The parents get to interact with the kids and, best of all, families can and will be created!

New Generations Give Rotary a New Avenue to Serve

This September's New Generations Month takes on a different meaning than in the past.

The commitment to getting youth and young adults actively involved in Rotary was strengthened in April when representatives at the Council on Legislation approved New Generations as the fifth Avenue of Service. [Read more.](#)

RI President Ray Klinginsmith says the new Avenue of Service improves the value of youth programs and their impact on Rotary's future.

"The Council wanted to be sure New Generations programs were given adequate attention by clubs," says Klinginsmith. "Rotarians just want to be up front and recognize the importance of

these programs. New Generations isn't just important to the future of Rotary but also our communities and the world."

New Generations Service acknowledges the positive change implemented by youth and young adults involved in leadership development activities, community and international service, and exchange programs that enrich and foster world peace and cultural understanding. Programs include RYLA, Rotaract, Interact, and Rotary Youth Exchange.

"We truly have the finest youth programs in the world," says Klinginsmith. "Their intrinsic value continues to escalate. We do a great job with these programs, we just need to give them more visibility."

This month is a chance to celebrate the new Avenue of Service, says Vicki Puliz, chair of New Generations Service for District 5190 (parts of California and Nevada, USA).

"News of the Council's decision was welcomed with excitement and enthusiasm by Rotarians in our district," says Puliz. "We are using this as a way to emphasize how Rotary International views New Generations and its importance. It's a springboard to communicate even more with our clubs about these programs."

Virtually every club in her district is involved with one or more of the four youth programs. A wide range of district programs fall under the New Generations umbrella, says Puliz.

"Focusing more on youth is crucial for Rotary to thrive and survive," she says. "It's one of the reasons why we have programs on literacy, leadership training, and ethics for young people."

She recommends that every club appoint a New Generations Service chair. "We've learned that our youth programs benefit from communication and coordination," says Puliz.

New Generations joins Club Service, Vocational Service, Community Service, and International Service as an Avenue of Service. Before starting a project, Rotarians are asked to think broadly about how their club and its members could contribute within each avenue.

Klinginsmith says the best clubs are the ones that are well balanced.

"Strong clubs are involved in all five of the Avenues of Service," he says. "The ones that don't have New Generations programs are missing a part of the great adventure of Rotary."

Today's Thoughts in Honor of

Constitution Day – September 17

"Our constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."

- **John Adams (1735 – 1826)**

National Cheeseburger Day – September 18

"Anybody who doesn't think that the best hamburger place in the world is in his home town is a sissy."

- **Calvin Trillin (1935 –)**

A Harley biker is riding by the zoo in Washington, DC when he sees a little girl leaning into the lion's cage. Suddenly, the lion grabs her by the cuff of her jacket and tries to pull her inside to slaughter her, under the eyes of her screaming parents.

The biker jumps off his Harley, runs to the cage and hits the lion square on the nose with a powerful punch. Whimpering from the pain the lion jumps back letting go of the girl, and the biker brings her to her terrified parents, who thank him endlessly. A reporter has watched the whole event. The reporter addressing the Harley rider says, 'Sir, this was the most gallant and brave thing I've seen a man do in my whole life.'

The Harley rider replies, 'Why, it was nothing, really, the lion was behind bars. I just saw this little kid in danger and acted as I felt right.' The reporter says, 'Well, I'll make sure this won't go unnoticed. I'm a journalist, you know, and tomorrow's paper will have this story on the front page... So, what do you do for a living and what political affiliation do you have?'

The biker replies, 'I'm a U.S. Marine and a Republican.' The journalist leaves.

The following morning the biker buys the paper to see if it indeed brings news of his actions, and reads, on the front page:

U.S. MARINE ASSAULTS AFRICAN IMMIGRANT AND STEALS HIS LUNCH

That pretty much sums up the media's approach to the news these days.
