Flags

☪ Jeff and I (Chuck) would like to extend our ‘thanks’ to each of you and to say we’re mighty proud to have people like you on our team. We are very fortunate that people like you take the time and trouble to make our club’s major project for fund raising – flags – a success. This past holiday season for flags – Labor/Patriots Day - has been a real challenge and without your help and our Partners help, we would not have been able to pull it off with service above self together with satisfaction. THANKS! Those helping Sept 11 included Chuck Koehler, Jim Gilmore, Lyle Froese, Jim Pearson and Bryan Northington. Those helping Sept 12 included Chuck Koehler, Zan Moltz, Bill Bilyeu, Jim Gilmore, Jim Pearson, and Lyle Froese.

☪ We have one Flag Day remaining - Veterans Day weekend, the flag distribution from the Storage Unit will be scheduled on Friday, November 7, with flags set by 9:00 AM on Saturday, November 8. The flags are to be picked up and returned to the Storage Unit on Wednesday, November 12. Please mark your calendars accordingly.

☪ Furthermore, one of the challenges faced during the Labor/Patriots Day schedule of almost two weeks of flag coverage, we had approximately 160 flags returned damaged due to exposed weather conditions and some vandalism. Our flag committee will address this situation for next year’s campaign. This damage has eroded our reserve flag capacity. Therefore, we will need to have a morning of assembling new flags for the Veterans Day schedule. I’m proposing that Saturday, October 18th is the day between 8:30 to 11:00 AM. Please mark your calendars, now.

Today’s Thoughts in Honor of

Citizenship Day- September 17

“Every good citizen makes his country's honor his own, and cherishes it not only as precious but as sacred. He is willing to risk his life in its defence and is conscious that he gains protection while he gives it.”

- Andrew Jackson (1767 - 1845)

International Talk Like A Pirate Day - September 19

“The average man will bristle if you say his father was dishonest, but he will brag a little if he discovers that his great-grandfather was a pirate.”

- Bernard Arthur Owen Williams (1929 - 2003)

Young Boudreaux applied for an engineering job way, way up north in Shreveport. A local man applied for the same job and both applicants, having the same qualifications, were asked to take a test by the department manager.

Upon completion of the test, both men missed only one question. The manager went up to Boudreaux and said "Thank you for your interest, but we've decided to give the local man the job." Boudreaux said "Why you gonna be doin dat sir, we both got 9 questions right?"

The manager said, "We made our decision not on the correct answers, but on the one you missed."

Boudreaux asked "An jus how da heck would one incorrect answer be mo betta dan da otter?"

The manager replied, "Simple, the local man put down on question #5, 'I don't know,' you put down, 'neither do I.'"

New country added to Rotary map

Members of the first Rotary club in the island nation of Kiribati spent a week in August celebrating its charter.

On 11 August, RI General Secretary Ed Futa, on behalf of the RI Board, approved a charter for the Rotary Club of Kiritimati, Line Islands, Republic of Kiribati, adding another nation to the more than 200 countries and geographical areas on the Rotary map.

"Rotary will have an important and positive impact on improving the lives of people in Kiritimati (formerly Christmas Island)," says club president Ruta Uatiao. "Rotary represents leadership, something we are excited to adopt here."

The 35-member club, along with guest Rotarians from District 9920 and the United States, held its first official club meeting on 23 August, the kickoff to the weeklong festivities. As part of the week's programming, Kiritimati club members visited schools and hospitals to assess potential projects.

Participating in the activities were members of the Rotary Club of Commerce City, Colorado, USA, who led multiple World Community Service (WCS) projects on Kiritimati and were instrumental in introducing Rotary to the islands.

George Maybee, a member of the Commerce City club, has vacationed with his wife, Sharon, on the island for years. During a trip in 2006, Maybee became convinced his club should get involved with helping people there.

A year later, the club launched a multiphase WCS project consisting of improved medical care, water quality, and educational opportunities.

The club then joined efforts with Past District 9220 Governor Warwick Pleass, who was already working with RI to get a club chartered in Kiribati. Maybee and members from the Rotary Club of Suva East, Fiji, made several trips to Kiritimati to help a provisional club.

Island nation

[Kiribati](#) (pronounced KEER-ah-bhass) consists of 33 islands scattered across 2,400 miles of the Pacific Ocean, with a population of more than 105,000. The three main groupings are the Gilbert Islands, Phoenix Islands, and Line Islands.

In 1995, Kiribati drew international attention when it petitioned to change the [International Date Line](#), which divided the nation into two time zones. The entire nation now lies west of the date line, which zigzags around the easternmost islands.

Kiribati gets a large portion of its income from overseas, including fishing licenses, development assistance, and tourism.

"Our people are used to being on the receiving end of help," says Uatiao. "With the first Rotary club here, our members can now be on the giving end."

Projects in the works for the Kiritimati club include completion of upgrades to the Banana Village Medical Clinic; construction of working toilets for all six schools on the island; distribution of dictionaries provided by the Rotary Club of Brighton Early, Colorado; and distribution of toothbrushes and toothpaste.

"The future is bright; Rotary can surely look forward to a glowing success with the Kiritimati club, as well as an additional club in Kiribati," says Maybee. "I'm very much looking forward to seeing the Kiribati flag at the [RI Convention](#) in Birmingham."
