The Four Way Test
of the things we think say or do....

1. Is It the Truth
2. Is It Fair to All Concerned
3. Will it Build Goodwill and better Friendships
4. Will it be Beneficial to all Concerned

Rotary Club of McKinney Sunrise, District 5810
Club Number 28762, Chartered May 22, 1992
P.O. Box 2244, McKinney, Texas, 75070

Sandra Forster – District Governor

Sandra (Sandy) Forster, currently retired, is the former owner of SunWest Activewear. SunWest Activewear was a commercial embroidery and promotional products company she owned and operated for over 14 years. SunWest specialized in safety award programs to the Trucking and Transportation industry.

In 1999, Sandra married Bud Carmichael and together they share the joys of 12 grandchildren, a great grandchild and five grown children and their spouses. Their grandchildren have participated with them in various Rotary events and humanitarian projects. Sandra is active as a member of the Unity Church of Christianity – Dallas and serves on the Spiritual Social Action Committee and as a worship assistant.

In 1992, Sandra joined the Garland Rotary club and was the first female president to serve the club. The Garland Rotary club was established in 1927 and has been active in the city of Garland serving many aspects of the community from scholarships to deserving high school seniors, the Rotary Youth Leadership Award (RYLA), Interact, English as a Second Language tutoring; and an annual Christmas party for under privileged children in the Garland Independent School District. Under Sandra's leadership the club has participated in Matching Grants, Group Study Exchange, Youth Exchange, and the RI Teacher Exchange program.

During Sandra's service in Rotary she has been privileged to serve as a counselor to RYLA for six years, helps with the Garland Rotary's Interact club, served as an Assistant District Governor; District Secretary; District Chair for Water Projects; District International Service Co-Chair; District Grants Sub-Committee Chair and World Community Service Chair. Sandra and her husband, Bud, have traveled to Europe, Africa, India, Mexico, and South America on various Rotary humanitarian projects including polio immunizations, water and sanitation projects and wheelchair distributions.

In 2009, then R.I. President, D. K. Lee and the R.I. Board of Directors honored her with the highest award that can be given to an individual Rotarian – the Rotary International Service Above Self. This award is given to Rotarians who embody Rotary's motto "Service Above Self" as a way of life. District 5810 has honored Sandra with Rotarian of the Year – 2008-09; The Rotary Foundation Advocacy Award – 2008-09 and the Service Above Self Award for 2007-08. In 2007-08, 2005-06 and 2004-05 District 5810 awarded her The Rotary Foundation District Service Award for promoting The Rotary Foundation and its goal of world understanding and peace. The Garland Rotary Club has honored Sandra with Rotarian of the Year; Distinguished Service Above Self; The Pioneer Award; and Humanitarian of the Year.

She is a member of the Paul Harris Society and is a Major Donor and Major Benefactor to The Rotary Foundation. Sandra has established the Forster New Generation Donor Advised Fund with The Rotary Foundation to award college scholarships to deserving students within District 5810. A believer in what Rotarians can do for others worldwide, she is a lifetime member of Water And Sanitation Rotary Action Group (WASRAG); Rotarians For Fighting AIDS; Rotarians Eliminating Malaria; Rotarian Action Group for Microcredit; the Rotary Wine Appreciation Fellowship and Rotary Travel & Host Fellowship. She currently serves on the Business Operations Committee for WASRAG.

Rotary commits additional US\$75 million to help end polio

Rotary International has made a new funding commitment of US\$75 million over three years to the [Global Polio Eradication Initiative](#) (GPEI). Rotary, which has already contributed nearly \$1.2 billion to the GPEI, announced the commitment at a 27 September high-level side event on polio eradication, convened by United Nations Secretary-General Ban Ki-moon during the United Nations General Assembly in New York.

The side event -- “Our Commitment to the Next Generation: The Legacy of a Polio-free World” -- brought together leaders of the remaining endemic countries, and representatives of donor governments, development agencies, the GPEI partners, and the media to underscore the urgent need to finish the job of global polio eradication. Although the wild poliovirus is endemic only in Afghanistan, Pakistan, and Nigeria, other countries are still at risk for re-established transmission of the virus through its “importation” from the endemics.

Ban urged UN member states to ramp up their support for the GPEI, launched in 1988 by Rotary, the World Health Organization, UNICEF, and the U.S. Centers for Disease Control and Prevention. The partnership now includes the support of the Bill & Melinda Gates Foundation and the United Nations Foundation.

“This decisive moment is a matter of health and justice. Every child should have the right to start life with equal protection from this disease. That’s why I have made eradicating polio a top priority for my second term as Secretary-General,” said Ban.

New donors

“Governments need to step up and honor their commitments to polio eradication if we are to achieve our goal of a polio-free world,” said Wilfrid Wilkinson, chair of The Rotary Foundation. “We are at a true tipping point, with success never closer than it is right now. We must seize the advantage by acting immediately, or risk breaking our pledge to the world’s children.”

“The evidence is clear: if we all do our part, we can and will end this disease. But we must act quickly and give ourselves the very best chance to succeed,” said Bill Gates, co-chair of the Bill & Melinda Gates Foundation, one of the leading donors to the GPEI. “When we defeat polio, it will motivate us to aim for other great health and development milestones.”

The Islamic Development Bank (IDB), a new donor to the polio eradication effort, announced a US\$227 million loan to Pakistan, which will cover the majority of the country's polio vaccination campaign costs. The IDB also announced a \$3 million grant for polio activities in Afghanistan.

In addition, Julian Fantino, Canadian Minister of International Cooperation, announced a “Three for One Polio Challenge Initiative” with Rotarians in Canada and the Bill & Melinda

Gates Foundation. Through the initiative, the Canadian International Development Agency and the Gates Foundation will each contribute to the GPEI C\$1 for every \$1 raised by Canadian Rotarians up to \$1 million. Upon completion, the initiative would generate a total of \$3 million for the GPEI.

These additional funding commitments follow action taken in May by the World Health Assembly, which declared polio eradication a “programmatically emergency for global public health.” Polio cases have plummeted by more than 99 percent since 1988, when the disease infected about 350,000 children a year. Although new polio cases are at an all-time low -- fewer than 150 worldwide in 2012 as of 19 September – the \$790 million funding shortfall through 2013 has already curtailed scheduled immunization activities in polio-affected countries. If eradication fails and polio rebounds, up to 200,000 children a year could be paralyzed.

“Failure to eradicate polio is unforgivable, forever. Failure is not an option. No single one of us can bring this long, hard drive over the last hurdle. But together we can,” said Dr. Margaret Chan, Director-General of the World Health Organization.

Heads Up! Programs and Events

October 3-----District Governor Sandy Forster
October 3-----Board Meeting – immediately following the regular meeting
October 10-----Ted Cantrell – Board President – MEF
 Sponsored by Sandi Froese
October 17-----Pamela Zeigler-Petty
October 22-----Board Meeting – Market Street Culinary School – 7:00 AM
October 24-----Fred Bahrenburg
October 31-----Weldon Copeland
November 7-----Lyle Froese

Today's Thoughts in Honor of

National Golf Day– October 4

If you watch a game, it's fun. If you play at it, it's recreation. If you work at it, it's golf.

- Bob Hope (1903 – 2003)

World Smile Day – October 7

Smile. Have you ever noticed how easily puppies make human friends? Yet all they do is wag their tails and fall over.

- Walter Anderson

Did you ever wonder why there are no dead penguins on the ice in Antarctica?
Where do they go? Wonder no more!!

It is a known fact that the penguin is a very ritualistic bird which lives an extremely ordered and complex life. The penguin is very committed to its' family and will mate for life, as well as maintain a form of compassionate contact with its offspring throughout its life. If a penguin is found dead on the ice surface, other members of the family and social circle have been known to dig holes in the ice, using their vestigial wings and beaks, until the hole is deep enough for the dead bird to be rolled into and buried.

The male penguins then gather in a circle around the fresh grave and sing:

"Freeze a jolly good fellow."

"Freeze a jolly good fellow."
