## Under One Sky Lights The Way To a Better World

Rotary and ONE, an international advocacy organization, joined other event partners in downtown Chicago on 24 September to demonstrate a commitment to ending extreme poverty and inequality and to promoting action on climate change on the eve of the United Nations launch of its Sustainable Development Goals.

The [17 ambitious goals](#) constitute a road map for finding solutions to the world's most pressing problems, and dovetail with Rotary members' work to create positive change in their communities and around the world. As dusk fell over Chicago, participants in the Under One Sky event held up blue lights, transforming the plaza where they were gathered into a field of fireflies to #LightTheWay to a more just world.

"This is a great opportunity for people to network and join an event where we are all focused on creating a better world," said Cheryl McIntyre, president of the Rotary Club of Chicago.

Julie Bordo, a district representative for ONE.org, noted that Rotary and ONE are more effective when they work together.

"We have very similar goals, and when we put our collective efforts together, it allows us to reach more people in addressing these incredibly important issues," she said.

Under One Sky Chicago was one of more than 40 such events planned in the United States and more than 150 around the world. Other cities that hosted them include Sydney, New Delhi, Johannesburg, São Paulo, and New York.

## Rotary University—Next Class—Club Operations 10-17

Rotary University's next class is club operations, scheduled for Saturday, October 17, 2015

Retaining Members: Imagine if you had attended PETS training when you first became a Rotarian. Well, this is your chance to send your Rotarians to training that far exceeds PETS training when all of the Rotary U courses are combined. This training gives your members an insight into Rotary as they launch or further their Rotary career. The more they know, the more Rotarians are ENGAGED.

All classes are from 8:00 am - 3:30 pm and held at SMU's main campus. The cost is only \$50.00 for each class.

Club Ops is designed to provide information on the structure, operations and functioning of healthy and effective Rotary Clubs as well as the training and development of future Rotary Leaders.

## **NIGERIA DECLARED POLIO-FREE, REMOVED FROM ENDEMIC LIST**

The World Health Organization (WHO) announced on 25 September that Nigeria is now polio-free and has been officially removed from the list of countries where polio is endemic. It's been 14 months since any cases of polio caused by the wild virus have been detected there.

With Nigeria's historic achievement, polio remains endemic in only two countries: Afghanistan and Pakistan. That means transmission of the virus has never been stopped there.

Nigeria was the last country in Africa where polio was endemic. The continent celebrated its own first full year without the disease on 11 August. Once three years have passed without a case in WHO's entire African region, officials will certify polio eradicated there.

"Rotary congratulates Nigeria on its tremendous accomplishment in stopping polio," says RI President K.R. Ravindran. "On behalf of the entire Global Polio Eradication Initiative, we thank volunteers, health workers, and parents in communities across Nigeria for their tireless commitment to ensuring every last child is protected against this devastating disease. In the months ahead, their dedication will remain as important as ever, as we work to keep Nigeria polio-free and to eliminate polio from its final strongholds in Pakistan and Afghanistan."

Nigeria's success is the result of several sustained efforts, including domestic and international financing, the commitment of thousands of health workers, and new strategies that reached children who had not previously been immunized because of a lack of security in the country's northern states.

### **TYPE 2 POLIOVIRUS GONE FOR GOOD**

In other encouraging news, an independent global health commission officially verified on 21 September that wild poliovirus type 2, one of three strains of the wild virus, has been eradicated worldwide. Although the last type 2 case was detected back in 1999, the confirmation is an important milestone, as Rotary and its partners in the Global Polio Eradication Initiative prepare to switch from a form of the vaccine that targets all polio types to one that does not protect against type 2.

The announcement by the Global Commission for the Certification of Poliomyelitis Eradication confirms that only two strains of the wild poliovirus remain. Of those, type 3 wild poliovirus

hasn't been detected in almost three years, and wild poliovirus type 1 is endemic only in Afghanistan and Pakistan.

## FUNDING INCREASE NEEDED TO REACH FINAL GOAL

On 25 September, the Polio Oversight Board met to determine the next steps needed to eradicate polio. The group concluded that \$1.5 billion in new funding is needed to help Rotary and its partners end polio in the next few years. With Nigeria now polio-free, spending will focus on the most vulnerable children in Afghanistan and Pakistan, while continuing to shield millions of children already living in polio-free countries.

“With a fully funded program and global commitment to ending this disease, we have the opportunity to interrupt transmission of the wild poliovirus in Pakistan and Afghanistan in 2016, opening the door for certification of a global eradication in 2019,” says Michael K. McGovern, chair of Rotary’s International PolioPlus Committee. “With [Rotary members’] continued support, we will soon see our dream of a polio-free world realized.”

---

## Today's Thoughts in Honor of ....

### Fire Prevention Day – October 9th

Absence diminishes small loves and increases great ones, as the wind blows out the candle and fans the bonfire.

- François Duc de La Rochefoucauld (1613 – 1680)

### Old Farmers Day – October 12th

We have neglected the truth that a good farmer is a craftsman of the highest order, a kind of artist.

- Wendell Barry (1934 – )

---

Dentist: I have to pull the aching tooth, but don't worry -- it will take just five minutes.

Patient: And how much will it cost?

Dentist: It's \$90.00.

Patient: \$90.00 for just a few minutes of work?

Dentist: I can extract it very slowly if you like.
