## LifePath Systems

Randy Routon, Ph.D. has been the Chief Executive Officer for LifePath Systems since it was created in 1986, starting with 12 employees. Today his responsibilities include direction and management of 3 program divisions which serve over 9,000 Collin County residents a year, including over 350 employees and 300 contractors.

For the last 7 years Randy has served as the Community Centers' Executive Directors Liaison to Texas' 49 Early Childhood Intervention Providers. Randy is also an active member of the Friday noon McKinney Rotary club. He and his wife Diane together have 6 grown children, 6 grandchildren, two dogs and two llamas.

L I F E P A T H   S Y S T E M S

*Building stronger communities...person by person.*

LifePath Systems provides critically needed assistance to the intellectually disabled, mental illness treatment and early childhood intervention for developmentally delayed infants and their families.

The agency was created as the Collin County Mental Health and Mental Retardation Center in 1986. The Collin County Commissioners Court established the center in response to recommendations from a blue ribbon task force on residents' unmet needs for mental health and mental retardation care. The Center's Board of Trustees adopted the LifePath Systems dba (doing business as) in 1999 to reduce the stigma associated with seeking mental health care or public assistance.

LifePath's services and staff have grown dramatically since its beginning. The growth of the surrounding populations have, however, grown even faster. State/federal funding has not increased at a similar rate, leaving challenges for the center and families who have unmet needs. Collin County had a population of approximately 245,000 in 1986. Today the county's population totals approximately three times that number and it is expected that Collin County will easily reach one million residents within the next few years.

## Rotary University Fall Schedule

SMU - Main Campus

8:00am – 3:30pm

Club Ops – October 29th

District Ops – Nov. 12th

Global Ops – Dec. 3<sup>rd</sup>

## Rotary and Shelterbox on the Ground in Haiti

Even as parts of Haiti were still recovering from a catastrophic 2010 earthquake, Hurricane Matthew tore through the impoverished island country 4 October, leaving hundreds dead and many more homeless.

The Category 4 storm affected an estimated 330,000 people in Haiti, including 6,400 who were moved to temporary shelters. Extensive damage to main bridges and other transportation networks have left some areas cut off and vulnerable. Torrential rains have resulted in flooding and landslides. And contaminated water supplies threaten to lead to a surge in cholera cases and other waterborne illnesses.

A ShelterBox response team of volunteers from Canada, England, New Zealand, and the United States traveled to Port-au-Prince, Haiti's capital, last week to assess the damage and decide how best to help people. ShelterBox, an independent charity, is Rotary's project partner for disaster relief.

Working with Rotary members, government authorities, and other relief agencies, ShelterBox is focusing on the cholera outbreak in the southern region of the island and emergency shelter. A shipment of ShelterBox supplies arrived in Les Cayes, in the south of Haiti, on Wednesday, which likely will be used to help health professionals screen and treat cholera victims.

"We hope to provide ShelterKits along with other crucial supplies like solar lights, mosquito nets, water purification units, and water carriers. All of which will help in the fight against cholera," says Chris Warham, chief executive of ShelterBox.

With wind speeds reaching 155 miles per hour, Hurricane Matthew is considered the worst storm to make landfall in Haiti in more than 50 years.

### STORM'S PATH HITS UNITED STATES AND CANADA

The destructive path of the hurricane cut through communities in Florida, Georgia, and South and North Carolina, USA, and as far northeast as Nova Scotia, Canada, causing flooding, severe damage, injury, and death. Rotary members are working together to provide emergency supplies and help families find shelter.

"Rivers are still rising and expected to crest on Sunday," says Rusine Mitchell Sinclair, governor of District 7710 in North Carolina. "We'll work with our neighboring districts to provide relief once the flooding has peaked and we can get in to assess what's needed."

## HOW YOU CAN HELP

The [Disaster Network Assistance Rotarian Action Group](#) and Rotary District 7020 are collecting donations for relief in Haiti and the Bahamas. The initial funds will be used to replace the roofs of 1,000 homes and provide Sawyer water filtration systems. Please visit their [website](#) to learn about ways to give.

If you would like to help those affected in North Carolina, send donations to [District 7710](#).

Rotary staff are in touch with district leaders in other areas affected by hurricanes Matthew and Nicole and are also monitoring storms in the Pacific. Contact [relief@rotary.org](mailto:relief@rotary.org) for information about how to contribute to other districts.

Follow ShelterBox on [Twitter](#) and [Facebook](#) for the latest updates.

---

## Today's Thoughts in Honor of ....

### Evaluate Your Life Day – October 19<sup>th</sup>

Life is like a coin. You can spend it any way you wish, but you only spend it once.

- Lillian Dickson (1901 – 1983)

### Make A Difference Day – October 22<sup>nd</sup>

Unselfish and noble actions are the most radiant pages in the biography of souls.

- David Thomas (1813 – 1894)

---

During their 50th anniversary wedding celebration at a banquet in their honor, my Dad was asked to give a brief account of the benefits achieved from being married for so long.

My father stood up, thought for a long moment, then said, "Well, I've learned that marriage is the best teacher of all. It teaches you loyalty, meekness, forbearance, self-restraint, forgiveness, and...." he paused.

"And?" someone cried out from the back of the room.

"...and a great many other qualities you wouldn't have needed if you'd stayed single!" my father exclaimed.
