The Rotary Club of Dallas Tops Campaign Goal with \$610,000

The Rotary Club of Dallas Centennial Center in the children's section of the new Woodall Deck Park has topped its campaign goal with a total of \$610,000

The Park has agreed to the large Rotary 30 foot diameter logo on the deck at the Rotary Learning Tree area. The four way test will be inscribed around the circumference of the Rotary logo.

The four Legacy Level Four Way Test donors will be recognized on a marble marker at the Rotary Center and at the Main Park Donor honor wall under the Dallas Rotary Club recognition. These are: Ebby and Maurice Acers; Carolyn and Craig Hutton; John "Johnny" M. Stemmons Family and Jaunita and Henry S. Miller, Jr. Family.

All of our \$1,000+ donors will be recognized in their donor level categories at the electronic information station. The club and state Rotary history and mission will also be displayed. A Rotary "Time Capsule" will be located close to the Rotary Center. we are still developing its design and function.

The Park is expected to be completed in the early fall of 2012. This was a team effort with a generous response from our club members. Donations were also received from the Prestonwood Rotary Club and the Park Cities Rotary Club. A special donor recognition program is scheduled for our meeting on January 11, 2012.

Rotarians gearing up for World Polio Day

Rotarians around the globe are planning events to raise polio eradication awareness and funding for World Polio Day on 24 October.

Australian club members are working with the [Global Poverty Project](#) on a petition drive aimed at persuading world leaders to fully fund the critical work of the [Global Polio Eradication Initiative](#). Supporters can sign the [petition online](#).

The Global Poverty Project has scheduled an End of Polio Concert on 28 October to coincide with the Commonwealth Heads of Government Meeting in Perth, Australia. Rotarians have joined with the group to lobby leaders to put polio eradication on the meeting agenda. Hugh Evans, cofounder and CEO of the Global Poverty Project, is a scheduled [speaker at the 2012 RI Convention](#) in Bangkok, Thailand, in May.

"Global collaboration has ensured that eradication is within reach," says Michael Sheldrick, the group's polio campaign manager and a member of the Rotary Club of Crawley, Western Australia. "Our generation has a chance to realize a historic opportunity and ensure that no one else ever has to fear this disease. That's why it's vital we commit to finish the job."

Among other events planned around World Polio Day are these:

- Rotarians in Addis Ababa, Ethiopia, are organizing a Walk to End Polio Now, aimed at drawing 4,000 participants and raising money for [Rotary's US\\$200 Million Challenge](#) to match \$355 million in grants from the Bill & Melinda Gates Foundation in support of polio eradication.
- The Rotary Club of Venezia-Riviera del Brenta, Italy, has organized a Run to End Polio fundraiser as part of the 23 October Venice Marathon.
- Rotary, Rotaract, and Interact clubs in Canada and the United States are coordinating a Wake Up Across the Continent polio awareness initiative during the week of 24-28 October. Each club is encouraged to participate and to publicize its activities, share ideas, and post images on [Facebook](#).
- Rotarians in Finland will conduct a "This Close" campaign with ads in print, on television, and online 24-28 October, and they plan a fundraiser on World Polio Day.
- Rotarians in Canada have arranged for the "This Close" TV public service announcement and other polio-related programming to air on CBC nationally throughout October.

Today's Thoughts in Honor of

Hermit Day – October 29

But I'll tell you what hermits realize. If you go off into a far, far forest and get very quiet, you'll come to understand that you're connected with everything.

- Alan Watts (1915 – 1973)

Halloween – October 31

Hark! Hark to the wind! 'Tis the night, they say,
When all souls come back from the far away-
The dead, forgotten this many a day!

- Virna Sheard (1872 – 1934)

Hair Cut

At the barbershop recently, a father came in with his two sons, about 10 and 12 years of age. He got both boys settled into barber chairs and then proceeded to tell the barbers how he wanted their hair cut.

The younger boy didn't pay much attention. But the older boy turned to his barber and said, "Make me look good for the girls, not for my dad!"
