The McKinney North Band presents the Dallas Brass

Founded in 1983 by Michael Levine, the Dallas Brass has become one of America's foremost musical ensembles. The Dallas Brass show, American Musical Journey, incorporates a full complement of brass and percussion for a musical travelogue through American history, from the time of George Washington to the present day.

In addition to their solo engagements, the Dallas Brass appears with symphony orchestras nationwide. Symphonic credits include the Cincinnati Pops conducted by Erich Kunzel, New York Pops conducted by Skitch Henderson, and the Philly Pops conducted by Peter Nero. The Dallas Brass has performed at Carnegie Hall, the John F. Kennedy Center in Washington, D.C., and has toured overseas to Europe and the Far East.

They have shared the stage with the late Bob Hope, have performed for Presidents Gerald Ford and George H. W. Bush, have appeared on the CBS "Early Show," and their music has been used numerous times on the television show, "The Young & The Restless."

The Dallas Brass' primary mission includes connecting with young musicians. Clinics are held in conjunction with almost every concert and band students are invited to join the Dallas Brass onstage for a selection on the evening performance. The Dallas Brass Education Foundation, a 501(c)3 corporation, has been formed to support these educational efforts and donations are gratefully being accepted by the foundation to expand the mission of bringing their "Music in the School" program to as many school children as possible. Tickets for \$10 are still available for the Concert Monday, November 8th at 7:30 PM at the McKinney North Auditorium. Sponsorships for tickets for elementary school music students and seniors at retirement communities are also available. Please see Gary for more details.

Today's Thoughts in Honor of

Housewife's Day – November 3

"By and large, mothers and housewives are the only workers who do not have regular time off. They are the great vacationless class."

- **Anne Morrow Lindbergh (1906 – 2001)**

Book Lovers Day – November 6

"A book is a friend; a good book is a good friend. It will talk to you when you want it to talk, and it will keep still when you want it to keep still; and there are not many friends who know enough to do that."

- **B. A. Billingsly**

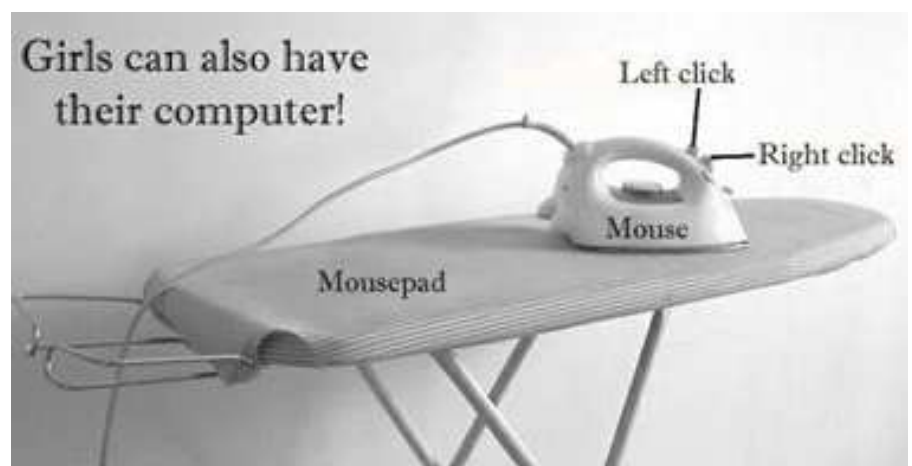

It all began with an iPhone...

March was when my son celebrated his 15th birthday, and I got him an iPhone. He just loved it. Who wouldn't?

I celebrated my birthday in July, and my wife made me very happy when she bought me an iPad.

My daughter's birthday was in August so I got her an iPod Touch.

September came by, so for her birthday I got my wife an iRon.
