The Four Way Test
of the things we think say or do....

1. Is It the Truth
2. Is It Fair to All Concerned
3. Will it Build Goodwill and better Friendships
4. Will it be Beneficial to all Concerned

Barbara Johnson – Executive Director Heart Gift

HeartGift Foundation is a 501 (c)(3) nonprofit organization that brings children from around the world for free surgery to correct life-threatening heart defects. They come for surgery because their home countries lack adequate health care. They leave with repaired hearts and a new sense of hope for the future.

One of every 100 children born in the developing world will never see his or her first birthday because of congenital heart disease, according to the International Children's Heart Foundation. Many children in developing nations who have congenital heart disease are never diagnosed, the foundation says, and never undergo life-saving surgery.

However, you can give the gift of life and help provide critical heart surgery for some of those children. Your relatively small gesture can make a very big difference.

A Message from District 5810

We want to stay in touch with all club members in our district for email, newsletter distribution and event registration. In addition, the online district directory is published based on the data we have on you in the ClubRunner database. It is important that we have correct information. Your club secretary works hard to enter much of this information, but you also have a role in maintaining current data. There is no charge to you or your club to maintain this database. Please make necessary changes in your ClubRunner Profile when you have a new email, a new physical address or phone number.

Proposed Member – 2nd Reading

Marc-Andre Gagnon has been proposed for Membership. He is a resident of McKinney and his proposed classification would be Leadership – Business Consultant. He has 32 years of telecom experience, his daughter, Sabrina, is a member of our Boyd Interact Club, and he is a Make a Wish Wish Granter. If you have questions or concerns regarding this proposed member, please see Membership Chair Steve Mitas. If there are no objections Marc will be inducted into our club on Dec 4th.

ROTARY CLUBS TAKE ACTION FOR TYPHOON-RAVAGED PHILIPPINES

Rotary clubs around the world are pledging emergency aid to communities in central Philippines after last week's massive typhoon flattened entire coastal towns and villages, killed thousands of people, and displaced nearly 600,000 more.

The situation remains dire as widespread destruction has made food, water, and medicine scarce in remote areas affected by Typhoon Haiyan, the strongest storm to make landfall on record.

Rotary President Ron Burton is urging our 34,000 clubs worldwide to continue to assist storm victims.

"I know we all want to help. I am urging our clubs to take action to provide emergency aid now and begin planning for the future when we can help rebuild homes, schools, and businesses," says Burton. "We are in the business of helping people in need."

Rotary partner ShelterBox has committed aid for 4,000 families in the form of emergency shelter and other relief assistance.

Such disasters are "exactly why we entered into our partnership with ShelterBox," says Burton. "It gives Rotary members worldwide the opportunity to respond immediately and in a very meaningful way to the life-threatening conditions faced by the people of the Philippines."

For nearly 100 years, Rotary clubs in the Philippines have been creating positive change in their communities. The first Philippine Rotary club was formed in Manila in 1919. Today, more than 800 Rotary clubs throughout the Philippines give members the chance to make a difference at home and around the globe.

Rotary's work to eradicate polio, our top priority, began in the Philippines. In 1979, Rotary funded the immunization of six million children with the oral polio vaccine. Based largely on the success there, the World Health Assembly authorized the Global Polio Eradication Initiative in which Rotary is a spearheading partner.

Rotary members in the Philippines pack relief goods for victims of Super Typhoon Haiyan. Hundreds of Rotary clubs around the world are also coordinating emergency aid packages for hard-hit communities.

Rotary clubs in the Philippines have improved water and sanitation, led medical and dental missions, created literacy programs, and participated in reforestation plantings. When a 7.1 magnitude earthquake struck central Philippines in September, clubs were there to bring aid to those in need.

“Rotary members often are both first-responders and rebuilders when major disasters strike because clubs are present in every corner of the world,” Burton says. “We continue with recovery efforts long after international relief agencies have gone because Rotary clubs are part of the communities we serve.”

You can help typhoon victims by working with relief agencies like these:

Today's Thoughts in Honor of

Absurdity Day – November 20

My wife has a slight impediment in her speech. Every now and then she stops to breathe.

- Jimmy Durante (1893 – 1980)

Universal Childrens Day– November 20

Sometimes, when I look at my children, I say to myself, 'Lillian, you should have remained a virgin..'

- Lillian Carter (1898 – 1983)

A man died and went to heaven, where he met St. Peter sitting at a desk in the middle of a great hall. On the walls were millions of clocks.

"What are those used for?" he asked.

St. Peter said, "There's one of them for every living person on Earth ticking out the days of their lives."

The newcomer noticed that the hands of some of the clocks were moving faster than others. "Why do they move at different speeds?" he asked.

St. Peter said, "Every time you tell a lie, you lose one hour of your life and your clock speeds up."

The newcomer looked around and then asked, "Do you have one of these for my local politician?"

St. Peter answered, "Sure! It's in the back room. We use it for a ceiling fan."
