Addison Rotary Club

Thursday, October 9, members of The Addison Rotary Club, presented to Ronald McDonald House of Dallas (RMHD) a check in the amount of \$200,000—the proceeds from the club's annual golf outing held yearly since 1990. Now in its 24th year, the Addison Rotary Open (ARO) took place at Gleneagles Country Club on September 8, 2014; approximately 225 golfers made the event a competitive and fun day. Since 2010, The Addison Rotary Club and its foundation, the Addison Rotary Foundation, has raised more

than \$1 million for the Ronald McDonald House of Dallas and is the charity's second largest annual fundraiser. 2014 ARO Chair, Lance Pendley says, "The most amazing part of this story is that The Addison Rotary is a relatively small club with about 45 members which means that each member has raised approximately \$22,000 over the past 5 years." Since the operational cost of a night's stay at RMHD is \$125, it is estimated that the ARO has raised funds to pay for over 8,000 nights at the House with the \$1 million raised.

Miles to End Polio

Rotary General Secretary John Hewko and six RI staff members bicycled 104 miles in Tucson Arizona, USA, on Saturday, for the Miles to End Polio event, raising more than \$6 million for polio eradication.

The money raised by Rotary will receive a two-to-one match from the Bill and Melinda Gates Foundation.

In addition to the team from Evanston, 100 Rotary member riders took part in the ride.

The fundraising ride is part of the annual El Tour de Tucson bike event in Tucson, Arizona, USA. The race attracts more than 9,000 cyclists a year, making it one of the top cycling events in the U.S. The Rotary team from Evanston was joined by Rotary members from Arizona's District 5500, and other members from around the world.

Hewko tweeted that he finished the race in 5 hours and 2 minutes.

"Really enjoyed riding in El Tour de Tucson along with 100 Rotarians and members of the Rotary International staff," Hewko added. "As a group we were able to raise over \$6 million for polio eradication which will help bring us even closer to the dream of a polio-free world. I am deeply moved by the generosity and passion of Rotarians around the world and Rotary staff."

The Rotary Foundation Rises on Nonprofit List

The Rotary Foundation has continued its steady growth, moving up 35 spots to 85th in The Chronicle of Philanthropy's annual ranking of the top 400 nonprofit organizations in the United States. The ranking is based on monetary contributions from private sources and reflects the increasing generosity of those who support Rotary's mission.

According to The Chronicle of Philanthropy, The Rotary Foundation received \$239,576,000 in 2013, a 32.4 percent increase from the previous year.

"This clearly shows our members recognize the unparalleled value of giving to their Foundation," says John Hewko, Rotary's general secretary. "They know that by giving to the Foundation their dollars have a much greater impact. And friends of Rotary respect that the Foundation puts their gift to great use."

The Foundation recently earned a 4-star rating from Charity Navigator, the largest and most prestigious independent evaluator of nonprofits in the United States. In the 2013-14 Rotary year, 92 percent of the Foundation's expenditures were applied to programs, with only 6 percent spent on fundraising and 2 percent on administrative expenses. The Foundation funded \$23.5 million in district grants and \$47.3 million in global grants. These grants support local and international humanitarian projects as well as scholarships.

Together with its partners in the Global Polio Eradication Initiative, Rotary has led the effort to eradicate polio, contributing more than \$1.3 billion to the initiative since its outset. When an outbreak of polio threatened the Horn of Africa and the Middle East in 2013, Rotary provided emergency funds, including a \$500,000 rapid-response grant for Somalia and a \$500,000 grant to the World Health Organization (WHO) to cover operational costs in the Middle East.

As a result, the outbreak in the Horn of Africa slowed, and Syria reported only one case of polio in the first half of 2014.

Rotary is also at the forefront of efforts to fight other diseases. According to WHO, indoor air pollution causes 4.3 million deaths per year worldwide. To combat it, members of the Rotary Club of Taos-Milagro, New Mexico, USA, mobilized Rotary clubs in several countries to support the Himalayan Stove Project, which has installed more than 3,000 clean-burning stoves in Nepal.

In Tamil Nadu, India, Rotary clubs partnered with clubs in Maryland, USA, to use a Foundation global grant to purchase a large van and outfit it with X-ray equipment to screen women for breast cancer in hard-to-reach communities. The "mammobus" has conducted more than 2,500 free breast cancer screenings and detected and treated early-stage cancer in six women. Rotary members in Malindi, Kenya, teamed up with members in Maryland and Idaho, USA, to work with the Genesis World Mission in creating a rainwater catchment system to provide clean drinking water, irrigate crops, and establish fish farms in Burangi, Kenya.

Today's Thoughts in Honor of

Repeal Day – December 6 – The 21st Amendment ends Prohibition

The wine urges me on, the bewitching wine, which sets even a wise man to singing and to laughing gently and rouses him up to dance and brings forth words which were better unspoken.

- Homer (800 BC – 700 BC)

Letter Writing Day – December 7

In human intercourse the tragedy begins, not when there is misunderstanding about words, but when silence is not understood.

- Henry David Thoreau (1817 – 1862)

Jack's mother ran into the bedroom when she heard him scream and found his two-year old sister pulling his hair. She gently released the little girl's grip and said comfortingly to Jack, "There, there. She didn't mean it. She doesn't know that hurts."

She was barely out of the room when the little girl screamed. Rushing back in, she asked, "What happened?"

"She knows now," Jack replied.
