## Today's Thoughts in Honor of ....

### Bill of Rights Day - December 15

"Politics should be the part-time profession of every citizen who would protect the rights and privileges of free people and who would preserve what is good and fruitful in our national heritage."

- Lucille Ball (1911 – 1989)

### Look on the Bright Side Day – December 21

"When we create something, we always create it first in a thought form. If we are basically positive in attitude, expecting and envisioning pleasure, satisfaction and happiness, we will attract and create people, situations, and events which conform to our positive expectations."

- Shakti Gawain (1948 – )

Sitting on the side of the highway waiting to catch speeding drivers, a State Police Officer sees a car pattering along at 22 MPH. He thinks to himself, "This driver is just as dangerous as a speeder!" So he turns on his lights and pulls the driver over.

Approaching the car, he notices that there are five old ladies -- two in the front seat and three in the back - eyes wide and white as ghosts.

The driver, obviously confused, says to him, "Officer, I don't understand, I was doing exactly the speed limit! What seems to be the problem?"

"Ma'am," the officer replies, "You weren't speeding, but you should know that driving slower than the speed limit can also be a danger to other drivers."

"Slower than the speed limit?" she asked. No sir, I was doing the speed limit exactly... Twenty-Two miles an hour!" the old woman says a bit proudly. The State Police officer, trying to contain a chuckle explains to her that "22" was the route number, not the speed limit. A bit embarrassed, the woman grinned and thanked the officer for pointing out her error.

"But before I let you go, Ma'am, I have to ask... Is everyone in this car ok? These women seem awfully shaken and they haven't muttered a single peep this whole time." the officer asks.

"Oh, they'll be alright in a minute officer. We just got off Route 119."

## Rotarians offer support in wake of Mumbai tragedy

Rotary leaders and Indian Rotarians are expressing sadness and offering support for survivors following last week's terrorist attacks in Mumbai, India, that killed more than 170 people.

More than 300 Mumbai Rotarians joined tens of thousands of city residents on 3 December in a peace march to mourn the dead and protest the violence. Participants gathered in the streets surrounding the Taj Mahal Palace and Tower hotel, one of several locations stormed by armed gunmen on 26 November. In a show of unity and peace, Rotarians carried Rotary flags and banners.

"It is a terrible situation. But Rotary is ready to help those who have suffered," says Past RI President Rajendra Saboo. "Rotary will be most needed when the painful happening recedes in the memory."

Rotarians and their families stood in long lines to donate blood. Saboo also said Mumbai clubs are in contact with hospitals, offering support and comfort to victims.

"This is a time when those who have suffered the most may find themselves lonely and in need," says Saboo, a resident of the Union Territory of Chandigarh. "Rotary will not only be there to heal the immediate wounds but to care for them long term."

Calling the attacks in Mumbai "a catastrophe," RI President Dung Kurn Lee says the recovery process will take many months and that Rotary will provide support for victims and their families.

"Rotary is the organization that helps people make the transition from day-to-day survival to a return to a normal life," says Lee.

Local clubs are also struggling with the senseless violence.

"It is very tragic that so many innocent people were killed or injured," says Prabha Mathur, past president of the Rotary Club of Bombay Airport in Mumbai. "We are all trying to find peaceful ways of addressing the situation."

RI Director Ashok Mahajan says now is the time to spread Rotary's message of peace.

"I'm deeply saddened by what happened. People here are extremely angry," says Mahajan, a Mumbai resident. "But I don't want to see the situation worsen. It's time for Rotary to unite and help achieve world peace."

Mahajan expresses gratitude for the many condolences he's received from Rotarians worldwide, and says he especially appreciates the e-mails and phone calls from Pakistani Rotarians.

"Clubs in Pakistan showed great concern about our health and well-being," Mahajan says.

The Rotary Club of Bombay has been left without a home, owing to the extensive fire damage at the Taj Mahal hotel. Since its founding in 1929, the club has met in the hotel's ballroom.

"There was so much Rotary history in that room, and I have fond memories of attending meetings there," says Saboo, who is working with club leaders to find a temporary meeting place. "Our hearts go out to the members. I'm hopeful . . . they'll be back at the Taj soon."
